

U.S Memorial Day - 28th May 2018

A brief ceremony was held at the New Forest Airfields Memorial on Monday 28th May, to remember the many airmen and others serving with the American forces during WWII, on the New Forest airfields.

This is also the time of year when we arrange for the refurbishment of the Memorial, in preparation for the Annual Service of Re-dedication on Sunday 24th June at 2 p.m.

We are greatly helped by volunteers from the Probation Service, carrying out Community Service, and appreciate their contribution to honouring those who did not return home.
