

U.S. Memorial Day Weekend

United States Memorial Day was commemorated again this year, as every year, on Bank Holiday Monday, 27th May, by the lowering of the American Flag to half-mast at 0900 hrs, and raising of the flag to full height at noon, followed by the playing of a recording of 'Taps' at 1500 hrs. Long serving Friends of the New Forest Airfields (FONFA) Trustee John Brooks carried out the salute to American fallen, who served on and flew from the New Forest Airfields in World War Two.
