

MESSIAH TEXAS MONTHLY

Volume II Issue XI

DECEMBER 2021

HAPPY HANUKKAH

During this time, we just want to remind everyone to keep shining light for the King and keep being fully dedicated to Him. We know not everyone celebrates, nor is there a command to. But at Messiah Texas these two principals are very important to us. With all the time, people, and resources we are entrusted with we want to be fully dedicated to the Father. Also, in all our events we want the light of Messiah to brightly shine.

THE THIRD TIME WAS THE CHARM

Our third young adult retreat, Come Hell or High Water, was a great time full of blessings and fellowship. We had a great group, good studies and workshops, powerful worship, and of course, great food. Our next one will be in May 2022, come RATTLE with us then.

WINTER CAMP IS NEXT MONTH

**THE POWER OF JOY
IN A SCARY WORLD
A STUDY OF PHILIPPIANS**
MESSIAH TEXAS WINTER CAMP 2022

Registration is going strong. Lots of returners and several first timers are making their way to Messiah TX Winter 2022. We will be studying the book of Philippians and really seeing how to maintain JOY in our life in this SCARY world. We are partnering with Jamie Ball as our worship leader, and Nathan and Alexis Harmon will be in the house too! Can't wait to see what Yah does.
