

# MESSIAH TEXAS MONTHLY

Volume III Issue XII DECEMBER 2022

## WE ARE SO THANKFUL FOR GRATITUDE!

Our fifth young adult retreat did not disappoint. We had 97 young adults present for a powerful weekend. So much fellowship, study, worship, and relationship building. Games, coffee, and of course food were in abundance as well. Participants were challenged to let that "Lion Inside of Their Lungs" roar. We cannot wait to hear how they live that out.

## WELCOME ABOARD!

We are so glad to have Missi Lara joining our Board of Directors. Missi is an amazing woman that has been keeping God's feasts her entire life. Missi and her husband Jim have seven children. Missi and her husband also lead the Shema congregation in their home in Canton, Texas. Though she comes to us from California she has quickly become a Texan and we are so glad to have her on our team.
