## FAITH COMES BY HEARING AND HEARING BY THE SOUND SYSTEM

Ok ... so that's not how the verse goes. But a sound system is a huge priority to us. We would love to be able to have a quality sound system for all of our events. Right now we are piecing together or relying on the worship team to bring theirs. Pastor Brian has a list of all the components we need, and the best places to get them for the best price. If you would be willing to help with this need would you please email, call, or DM us via social media. Thank you so much.

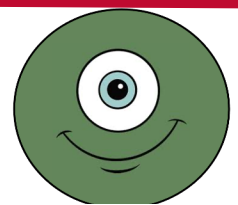

## HELL OR HIGH WATER - NEXT MONTH

Our next young adults retreat is getting closer. We have over 40 young adults planning now to meet us at Camp Compass November 18-21 for an amazing time. If you are 18-29(ish) or know of someone who is, encourage them to come and be with us. This is going to be an amazing weekend of worship, study, coffee, fellowship, and so much more. Plan now to be with us.

## WINTER CAMP WILL BE A JOY!

Winter camp is going to be here before we know it. We already have over 20 students signed up. Spread the word, and help us get students 13-18 there on January 14-17, 2022. It is going to be an amazing time.

## TESTIMONY TIDBIT

"I attended my first Messiah Texas several years ago, just weeks after attempting to commit suicide twice, and I had every intention to do so again when I got home, but Messiah Texas and the people I met there are a HUGE reason why I didn't. God worked through Messiah Texas and the people there, to reach my heart and help me decide to continue on living." - anonymous camper
