

# BASIC INFORMATION

**We Are a Youth Camp that exists to provide a Summer and Winter Camp where youth (13-18) can come and learn about the Bible, worship, meet like minded peers, and have a great time away from the world around them.**

**We believe and teach the ENTIRE Bible. We believe that Genesis - Revelation is the Word of God and strive to follow and teach it's calendar, diet, and all commands.**

**We are not part of a particular denomination, church, or parent company. We are a stand alone organization that exists for the sole purpose of putting on life changing events.**

**We were awakened this summer to more things God has in store for Messiah Texas in addition to our youth camps. For more information check out: [www.messiahtexas.com](http://www.messiahtexas.com)**
