NPM Painting has been a painting sub-contractor in the construction field for over 10 years. Contacting Charles Long with eEstimatePro.com has provided us with excellent estimating takeoff, unit cost estimates and proposals. Project scheduling, submittals and closeout service also provided has been exceptional. Professional services provided have been outstanding with attention to detail and relentless determination, a credit to his service.

I recommend Charles Long, eEstimatePro.com for estimating, project management and consulting.
