

Charles,

I have been so busy that it took me forever to get this to you.

Pinnacle contractors have been a general contractor in the construction field for over 10 years, during that time I've worked with several estimators, which never gave me the service provided by Estimating Pro. Without any hesitation I'm recommending Charles Long Company for any job he feels qualified for.

The professional services provided by Estimating Pro, president Charles Long has been outstanding. We have never had any problems with his work. His attention to detail and relentless determination to release a quality product on time has secured every job he has worked on for us. He is always careful to explain the process and the cost involved. I highly recommend him to contractors, friends and neighbors.

We are proud to have Estimation Pro as part of our team and look forward to your future contributions

Please feel free to contact us if you need any further information regarding Estimating Pro.

Sincerely

Nathan Bradford
