Due to a disqualification for using an incorrect average we requested assistance from USBC on how to proceed since the winner of the bracket event was the one disqualified. Rebowling the event or rebowling the bracket effected was not an available option. USBC stated that the recommended option is to base the standings on total pins bowled in the match game portion.

We have adjusted the prize payout to give 1st place \$200, 2nd and 3rd place \$75.00 each, and 4th through 8th place \$30.00 each. This basically means if the bowler lost their first match or didn't have a oportunity to bowl a match then they got \$30.00. If the bowler won their first match but lost the second match they get \$75.00. The bowler who won two matches gets the first place prize of \$200.00.

Standings and prize payout is as follows:

1 Dan Golder	\$ 200.00
2 Jim Akers	\$ 75.00
3 Joe Holtz	\$ 75.00
4 Phil Marlow	\$ 30.00
5 Jim Gibbs	\$ 30.00
6 Mike Harbert	\$ 30.00
7 Ron Clement	\$ 30.00
8 Roger Crawford	\$ 30.00
