

Thomas L. McVey Jr. Bowling Performance – 2018

Tom is an avid league and tournament bowler bowling primarily in the “Up North” centers in our association which would include Brighton Bowl, Howell Bowl-E-Drome, Striking Lanes, Whitmore Lanes and Pinz Bowling Center. He started adult leagues in the 2004-05 season and averaged 185 for that first season. A rapid increase in average and a multitude of award scores would soon follow.

He has thirty-seven (37) USBC certified 300 games bowled in eight (8) different bowling centers. Either it is extremely good luck or exceptional skill but what is amazing is that we could only find three (3) 299 games in his USBC achievement record. Tom has bowled twenty-one (21) 800 series in his thirteen (13) years of adult bowling with his high of 856 bowled on games of 300,278,278 at Brighton Bowl. His high average of 243 was accomplished during the 2011-12 and also the 2013-14 season. He did average 249 for 21 games in the 2008-09 season.

Tom won an Ann Arbor 700 Club Singles Scratch tournament title in 2009 with a 1388 six game total at Whitmore Lanes. His teams won the Michigan 700 Club State Championships in 2014 and again in 2017. He was on the 2017 Arbor Valley Open tournament second place actual team. His Hi IQ Pro shop team shot a 3415 actual series and he led the team with a 735 series. He was also runner-up in actual all-events in the Association Annual tournament in 2012.

It is our pleasure to recognize the bowling performance of Thomas L. McVey Jr. by inducting him into the Arbor Valley USBC Association Hall of Fame.
