

Ed Vasas

Director of the Year - 2018

Each year the association recognizes a board member who goes the extra mile in service to the association and its bowlers. This year we would like to honor Ed Vasas. He works both the Women's and Open Annual tournaments as well as the Champion of Champions association tournament as a monitor. He is a member of the Hall of Fame committee and makes a positive contribution to its deliberations. He participates in board discussions and comes up with good items for consideration. Thank you Ed for your service to the members of the Arbor Valley USBC Association.
