- 650 Series (Score of 650 to 699 and average less than 201)
- 700 Series (Score of 700 to 749 and average less than 217)
- 750 Series (Score of 750 to 799 and average less than 234)

If you use league secretary software, the youth awards must be set up under their own awards tab. The USBC achievement tab is for the 300 game and 800 series awards. Separate instructions on how to set up these awards will be provided upon request.

For the average based awards, you need to use the bowler's previous season average until a current season twelve (12) game average is established. A bowler with no previous season average is not eligible for average based awards until they have bowled twelve (12) games this season

Award applications must be submitted within twenty (20) days of occurrence. There is a limitation of one award per award category per season (August 1 to July 31)
