Parent's Name: _____ Child's Name: _____

All the children in the Kid Fit Program are entitled to a safe, supervised, and supportive environment while in our care. The Kid Fit Staff will use positive reinforcement, consistency in following routines, and enforcing reasonable limitations as tools to avoid unwanted behaviors. Our goal as a staff team is always to help children develop and maintain self-control in the group activities & settings with which they are presented. Staff members shall not: a) discipline children for failing to eat or for soiling themselves, b) use hitting, shaking, or any form of corporal punishment, c) use abusive language, ridicule, harsh, humiliating, or frightening treatment or other forms of emotional punishment, d) engage in or inflict any form of abuse and/or neglect, e) withhold food, emotional responses, stimulation, or the opportunities for rest or sleep, or f) require a child to remain silent/inactive for an inappropriately long period of time for the child's age. When a child does exhibit unwanted behavior, the child will be warned and explained why such behavior is unacceptable. Should the behavior persist, the child may be separated from his/her peers for a time appropriate to the child's age, to cool down and have a more in-depth discussion with a staff member. The child so removed will either be under the supervision of another staff member or continuously visible to a staff member. If the behavior continues, a discipline report will be filled out, then reviewed with, and signed by a parent upon pick-up. Serious behavior infractions may warrant an immediate report and even a phone call requesting pick-up. Ongoing inappropriate behavior, uncontrollable tantrums/angry outburst, chronic disrespect of other campers and/or staff, consistently not obeying camp rules, or any ongoing verbal or physical abuse of other students/staff will result in suspension from the program until a conference can be arranged with the Director to discuss an action plan. Immediate expulsion from the program would be necessary if: a) a child is deemed by program staff to be at risk of causing injury to him/herself, other children, or staff members b) if a parent exhibits verbal abuse to staff, especially in front of enrolled children, or c) if a parent threatens physical violence or shows intimidating actions toward staff members. Additional parental actions for temporary suspension or permanent expulsion could result from failure to complete required forms, falsifying information on required forms, failure to pay, habitual lateness in payments, and habitual tardiness when picking up child/children). There will be no credits/refunds for suspensions or expulsions.
