Stallion: Hennessey E registration # OSB-E-S293

Stud Fee: \$800 _____ Shipping & Container Fees as applicable: _____
initial initial

Credit Card for Clinic use: _____ Exp _____

- ❖ Stud Fee must be paid before semen will be shipped.
- ❖ The mare shall be in healthy breeding condition.
- ❖ Frozen Semen ONLY. Immediately return the container using the enclosed return label. Unreturned containers will result in a \$500 charge.
- ❖ Breeding fee includes 2 doses of frozen semen. Additional semen available at \$200 per dose, plus shipping fees. No live foal guarantee.
- ❖ If, after being pronounced "safe in foal", should the mare miscarry, abort, or prove barren, the Mare Owner has the privilege of rebreeding during the current or following season. In this instance, if a second shipment is necessary, the Mare Owner will be responsible for the shipping.
- ❖ In the event that the mare becomes pregnant before the entire shipment of semen is used, the unused portion of semen becomes property of the Stallion Owner. If the Mare Owner wishes to use the remaining semen for the purposes of breeding additional mares, a new breeding contract must be entered into, and all associated fees paid to the Stallion Owner before any breeding may occur.
- ❖ Breeding Certificate will be issued upon receiving Veterinarian documentation of foaling.
