

Callan Consulting

Sales Development Playbook Examples

In This Deck

2

This deck provides a high-level overview of a typical sales development playbook developed by Callan Consulting and includes examples of real client deliverables (with confidential information removed).

Of course, every organization is different, and Callan Consulting would customize any sales development work to meet your needs. We have deep experience in this area and can help with everything from starting a sales development organization from scratch to making an experienced team more efficient and effective.

If you have questions, reach out any time – we'd be pleased to learn how we can help you.

For a playbook to be an effective tool in enabling your SDR team, it must document 4 key elements needed to perform the SDR role:

The Playbook Should Contain All Key Materials that a New SDR Would Need to Ramp Up in the Role

4

Typical Playbook Contents

Sales Development Strategy

Team charter and organizational alignment
Ideal Customer Profile (ICP)
Stakeholder plan

Messaging and Scripts

Framework for customizing messaging
Battlecards:

- Value propositions

Qualification criteria

Rules of engagement & SLAs

Skill Development and Expectations

Expectations & quota

Daily / weekly / monthly plan

Working with your AE

Core sales skills (e.g., questioning tactics, note taking)

SDR Playbooks Define the Process, Key Activities, and Core Best Practices SDRs Need to Be Effective

The Best Practices of Successful SDRs Can Be Formalized to Help Struggling SDRs and New Hires

PROCESS

- Scraping
 - ✓ do it consistently everyday
 - ✓ Feed new contacts into sequences the next morning
- Prospect research (15 min timed)
 - ✓ Company messaging
 - ✓ News
 - ✓ Annual reports
 - ✓ Job posts, to understand what the prospect's job requires
- First call is 5-10 min of selling; most of call is qualification questions
- Sequences - use ones without calls, when appropriate, to ensure prospects get dripped emails

+CallanConsulting

MESSAGING

- Use shorter email with relevant phrase to
- Review notes from opportunities to find relevance for existing
- When sending message recap the previous solved that for other reconnect
- Effective CTAs:
 - > "Set up a call to dive deeper on"
 - > "To get the best have a manager and in 30 minutes questions answered"

SKILLS DEVELOPMENT

SDR Process Map

| | Target | Research | Engage | Qualify |
|-----------------------|---|--|---|--|
| Objective | Determine who to reach out to (accounts first, individuals next) | Develop relevant messaging for the prospect | Execute outreach activities to prospect | Determine fit between prospect and solution |
| Key Activities | <customized to client> | | | |
| Key Tools | <ul style="list-style-type: none"> • Ideal Customer Profile (ICP) • Stakeholder Plan • BDR-AE 1:1 plan | <ul style="list-style-type: none"> • Research checklist • Customer stories | <ul style="list-style-type: none"> • Sequence map • <client specific> messaging framework | <ul style="list-style-type: none"> • Opportunity qualification definition • Qualification Call Framework • Handoff process (BDR-AE) |
| Exit Criteria | Proceed if targets identified | Identify relevant pain points ("the hook") for the prospect | <ul style="list-style-type: none"> • If contacted, proceed to qualification • If no contact made, move to nurture | <ul style="list-style-type: none"> • If qualified, create opportunity • If not qualified, move to nurture |

Sales Pipeline

SDR Teams Receiving Inbound Leads Need Guidance on How to Prioritize Leads to Maximize Potential Conversion

Lead Prioritization

Lead prioritization focuses inbound triage efforts on highest potential for conversion

| Type | Mid-Market | Enterprise |
|--|---|---|
| Preferred Accounts ("Ideal Customer Profile") | Industries: <ul style="list-style-type: none">Professional ServicesTechnology companiesMedical PracticesRestaurants | Ideal Metrics: <ul style="list-style-type: none">10-100 employees50-1000 small business clientsWebsite / Digital presenceOffers fixed fees or subscriptionAdvisory services |
| High Priority Lead Sources | <ul style="list-style-type: none">Inbound call"Contact Us" formCorporate email givenInbound lead from "<company name>" websiteDirect Google search for "<company name>"Lead from execs/referrals | <ul style="list-style-type: none">Inbound call"Contact Us" formInbound lead from <company name> Partners PageCorporate email given |
| Medium Priority Lead Sources | <ul style="list-style-type: none">Interacted with payroll-themed contentRe-engage lists | <ul style="list-style-type: none">Event follow-upRe-engage lists |
| Low Priority Lead Sources | <ul style="list-style-type: none">FacebookAdvertising Campaigns | <ul style="list-style-type: none">WebinarsFacebook |

We Provide Specific Tools that Help SDRs Complete Each Step of the Prospecting Process

Research: Learn about the prospect before reaching out

| Type | Topic | Description | Where to look | Always check |
|---------|-------------------------|--|--|--------------|
| Account | What They Sell | Understand what the account sells, and to whom. | Website, Google, LinkedIn | ✓ |
| | Prior Activity, History | Identify any past interactions or sales activities in the account. | Salesforce | ✓ |
| | Trigger Events | Identify key events (legislation, funding, major product release) that will drive behavior within the company. Look for specific mentions around <client's key business> | Website, Annual Report/10K, Google, LinkedIn, Crunchbase | If available |
| Persona | Role & Responsibilities | Identify the contact's role within the organization and how they align to <client> personas. | LinkedIn Profile, Job Postings | ✓ |
| | Contact Information | Find relevant and accurate contact information (email, phone, social). | LinkedIn, Google, Third-Party Data Vendors | ✓ |
| | News | Determine whether the contact has recently changed jobs or has been featured in industry news. | Website, Google, LinkedIn, Twitter, Annual Report, Press Releases | If available |
| Peer | 1-2 Peer Companies | Identify accounts with similar challenges to guide formation of the <customized to client messaging>. | Internal customer list (Salesforce), <other places customized to client> | ✓ |
| | 1-2 Peer Connections | Identify connections, when available, between you or your organization and the prospect. | LinkedIn | If available |
| Time | | | | < 20 mins |

Messaging Battlecards Arm SDRs with the Right Level of Information They Will Need for Prospecting

Battlecards include information such as:

- ICP
- Value Prop
- Use Cases
- Qualification Questions
- Objection Handling
- Proof Points
- Customer Stories
