

IIT-JEE (Main+Advanced) Coaching

Mastermind Career Institute is equipped with the team of top most faculties for preparation of JEE (Main+Advanced) who are known for producing best results year after year. Our meticulously planned courses and well-timed completion of the syllabus renders sufficient time to the engineering aspirants for self-studies and thorough revision. Our subject experts explain the basics in a simple manner using illustrations which helps students to get well acquainted with the topics.

Our IIT JEE courses are elite in their perfectionism & proficiency and they lead the students to the peak of their preparation while simultaneously covering the school syllabus (CBSE & other Boards). The curriculum is revised frequently to keep pace with the fast changing competitive environment. The faculty is a blend of rich academic experience and vast knowledge. The series of periodic tests are identical to the pattern of various competitive engineering examinations and give ample practice to the aspirants for the same.

Getting a first-hand feel of studying in a rigorously competitive environment, our students further develop their ability of problem solving skills and demonstrate superior performance. Every test attempted by the students gives them a clear idea of their understanding of the topic, strengths and weaknesses, ranking amongst the aspirants from across India. By being a part of the on-going year round curriculum, they adapt themselves well to the pattern of paper and are successful in the examination with ease. Besides delivering knowledge we encourage and motivate our students to make most of their abilities by boosting their confidence.

Mastermind Career Institute is wholly committed to imparting career based education and students have the benefit of our expertise and knowledge every day throughout the year. From our core curriculum of preparatory studies to the detailed subject analysis through tests, our students have an access to all that is required to be successful in IIT-JEE (Main+Advanced).

CONCEPT BUILDING

Batch wise classes having limited students are held in morning & evening sessions, in airconditioned/ Cooled, spacious lecture theatres equipped with high quality Hi-Fi audio-video systems.

Lecture Classes

Lectures of 90 minutes each, are designed according to the pattern and level of JEE and delivered by our highly experienced faculties.

Revision Classes

Revision classes of selected topics are arranged regularly for the benefit of students.

Doubt Sessions

These sessions are regularly scheduled in Time Table and also arranged separately for those students who require extra assistance for clarification of their doubts. These sessions are optional.

Board Classes: ACHIEVE

It is flexible programme in which multiple options are given to students to attend concise board classes of entire syllabus of Physics, Chemistry & Mathematics, (as per their time suitability) to enhance their performance in board exams along with JEE.

SMART STUDY MATERIAL

RACE-Regular Analysis through Continuous Exercise

Lectures are supported by RACES which is a bunch of multi-concept problems, designed to give in-depth understanding of the subject & to improve question solving speed through time bound practice.

Subject and Topic wise Booklets (Sheets)

Sheet is topic wise multi exercise booklet, designed according to the syllabus of JEE, containing different types of conceptual, tricky & brain storming questions including previous ten years IIT-JEE questions, covering all the possible arena of the problems which may be asked in forth coming exams.

Board Work-Sheets & Booklets

To develops skills and concepts required to tackle board exams effectively.

Question Banks

For adequate practice in each subject, topic wise question banks are distributed to students which help them in gaining confidence & command on individual topics.

INTELLIGENT TEST SYSTEM

For better familiarization with JEE examination and continuous practice, Periodic Tests are conducted to evaluate students performance and to develop their capabilities to respond promptly to all types of questions, to improve speed and to identify weak areas.

Unit Test

These tests are focused on the topics which are being currently taught at that time.

JEE Main Test

One test of 3 hrs on JEE Main pattern in a time interval of 4 to 6 weeks.

JEE Advanced Test

Two tests of 3 hrs each on same day are conducted in a time interval of 4 to 6 weeks which covers all the topics taught till date for better revision.

Board Pattern Test

Designed according to the Board syllabus to ensure best performance of students in their Board exams.

Score Test

To enhance their score in JEE, at the end of session series of tests are conducted followed by discussion and revision classes.

Score Advanced Test

Series of tests along-with discussion classes are organized between JEE Main and JEE Advanced exams for final touch to boost their ranks.

MASTERMIND CAREER INSTITUTE

ADDITIONAL FEATURES

A special dedicated Star Batch consisting of Top 5 to 30 students is formed to provide concentrated efforts, highest academic and administrative care to produce top ranks.

BITSAT workshop with Online Test Practice.

JEE Main Online Test Practice. Science Practical Classes are held in well equipped laboratories.

Student Mentorship Programme

Faculties are nominated as mentor for each batch to provide academic guidance, personal care and motivation to students to get their best academic output.

Computer Based Test (CBT)

State of art practice online tests. So students can adapt to online testing implemented by IIT-JEE.
