

NEET-UG Coaching

Mastermind Career Institute has long been distinguished for the best preparatory courses and results for medical entrance examinations. We prepare students to face entrance examinations successfully by providing a healthy learning environment grounded well in the principles of value based career education, imparting knowledge, infusing positivity and boosting confidence.

At MCI, we offer methodical coaching and a healthy competitive atmosphere to the pre-medical aspirants through our excellent curriculum and adequate infrastructural facilities. Our team of highly qualified and competent faculties gives quality education to the aspirants lending them a leading edge in the preparation. The motivation that we extend to the aspirants helps them determine their own ability and shows them the path to success.

The study material which has been prepared by our well versed faculties after extensive research is comprehensive yet simple to understand. The specially tailored curriculum takes care of board examinations simultaneously. The curriculum is updated every year to keep pace with the fast changing examination pattern. The faculties are a blend of rich academic experience and vast knowledge. The series of periodic test is identical to the pattern of various competitive medical examinations and gives sample practice to the aspirants for the same.

In order to get through NEET-UG , right approach, determination and self-belief are very important. Our faculties provide personal guidance to all students equally regardless of their merit at MCI. The students have an added advantage of getting their doubts solved individually at our most unique platform the 'DOUBT COUNTERS'. Our comprehensive reports of periodic tests guide medical aspirants to know their weaknesses so that they try to overcome them; understand their strengths, enhance them and leave no stone unturned to maximize their performance and thus outshine in the actual exams. By being a part of the on-going year round curriculum, the students adapt themselves well to the pattern of paper and succeed in the examination with ease. Besides delivering knowledge, we encourage and motivate our students to make most of their abilities.
