Potentate Points By Marty Bartlett

I hope you have had as much fun this month as we have. From the Superbowl Party, to Divan Midwinter, to the Foreigner Concert, to Shriners IHOP Day, to the Hillbillie's Sadie Hawkins Dance, to Laredo Parade, to the Nobility Ball – what a crazy run. And all that during the shortest month of the year! Most of these events have not occurred by the writing of this article, but I know that the Divan and many others have been super busy with Shrine functions. These busy months allow us to spend a lot of time with our extended Shrine family.

Some events coming up include a fun St. Patrick's Day party and plans are being made for a Kentucky Derby party. These new events this year are designed so that we can invite our friends, family members, and co-workers to have fun with us and hopefully want to become new Shriners. Watch for announcements about our fun events this year and use those as opportunities to bring potential new members. Also, don't forget to sign up for our August 16-23 Potentate Cruise, where multiple Texas Shrines are participating, making this a Texas-wide trip. Call or stop by the office for more details.

Many changes are occurring with our stated meetings to make them more exciting. Food will be served from 5:45 – 6:45, with an upgraded menu and a reduced cost of \$5 a person. The bar will be open from 6:45 – 7:30 and briefly after the meeting, so that we can all enjoy each other's company in a casual setting. We are anticipating an exciting speaker at each meeting from 7:00 – 7:15, with the meeting open to all Nile and LOS members and other ladies to attend. There will also be very exciting door prizes given away at each meeting. Plan to come out for our new Stated Meetings.

Chief Rabban
Travis Elmendorf

HiHo Alzafar, many are the cogs, that move the gears that run our fraternity; and we are losing one. One that has been with this fraternity for over 20 years. Assisting our Shrine and its Nobility from within, Lady Carol Kintigh. As she departs our service to concentrate her efforts to win this battle, please extend to her your Faith, Love and Prayers. Her absence will be felt throughout our organization more so in the day to day of our office.

To alleviate some of the turmoil in capturing all the information and conducting it to its proper channel, we have implemented several new contact points for communication. Please use these moving forward:

alzafarshrineachbar@gmail.com

alzafarshrinepotentate@gmail.com

alzafarshrinechiefrabban@gmail.com

alzafarshrineassistantrabban@gmail.com

alzafarshrinehighpriestprophet@gmail.com

alzafarshrineorientalguide@gmail.com

alzafarshrinetreasurer@gmail.com

Thank you for your assistance in keeping the communication channels open.

I would ask that every Unit and Club do their utmost in sending in an article and or photos for inclusion in the April edition of the Achbar. The Dromedary Award submission dead-line is May, I believe that we can take first place in the magazine category. We will also be submitting for other categories as well. Let's win this!!

Also, I am asking for assistance in gathering the contacts from the various State Associations that our units belong to. This information being the officers, their contact numbers and home Shrines. Thank you for all you do Alzafar.

Assistant Rabban
Robert Norman II

Hello Alzafar!! What a jammed packed year we have had so far. The Alzafar train is full steam ahead and doesn't look like it's slowing down. What a fun filled year it's been so far.

Next time you see our OG give him a big pat on the back and tell him congratulations on a job well done. He did an outstanding job at Divan Midwinter last month. He set the bar very high for his fellow counterparts across Texas. Well done!!

A big thank you is in store for all the units, clubs, nobles, and ladies that were able to come out and help during Ihop National Pancake Day. Without individuals like you all, we would not be able to do what we do and have an opportunity to spread our message in helping the children in our hospitals. Again, we cannot thank you all enough. Stay tuned for further fundraising opportunities heading our way.

The Hospital Gala planning is in full swing. We have had our first meeting and a lot of information came from that gathering. We would like to thank all those that were able to attend. If you couldn't attend and would like to help in any way, please don't hesitate to get with me so we can put you on the list for the next meeting. The gala date has changed from what was previously put out due to some rental opportunities. The new date will be Saturday, November 7th. The office has a signed donation letter for everyone to use when requesting silent auction items.

Lady Tiffany and I look forward to the next conversation and memories that we will share with each one of you the next time we see you. We are truly blessed to be in the position to serve you all. We cannot thank you all enough.

High Priest & Prophet

Rick Reyes III

Alzafar, I hope your year has started off in the right direction and everyone is ready for a year to remember. Recently, Alzafar held its 2nd annual Super Bowl party and fun was had by all. Everyone in attendance seemed to really enjoy their time and to my knowledge, no one left with an empty belly or a frown. Thank you to everyone for your support and dedication in ensuring another successful event at Alzafar. As we move into the year, it will continue to be important that everyone come out and assist.

The next event on the books for the High Priest and Prophet will be the Grand Masters Conference and Demolay brunch. The event will be on Saturday the 7th of March from 11am to 1pm with the Grand Masters Conference to follow. Tickets are available in the office or can be purchased at the door the day of the event. We hope to see everyone out at the Temple for the brunch. I know everyone will want to hear about the great things to expect in the future coming out of Waco.

Finally, our motorcycle raffle is out and ticket sales have begun. Remember, as a unit, you stand a chance to earn money while also promoting the future of your Shrine. The 2020 Road Glide from Javelina Harley Davidson is the only approved Shrine Raffle so far this year so make sure you're promoting it to the masses. Tickets are available in the office and I plan to come around to the units to pass them out as well. We are very grateful to both Javelina Harley Davidson and The Law Tigers of San Antonio for their support of our glorious cause.

Until next time,

Rick Reyes

Only one month in and what a great and busy time we've had. Our 1st membership event was a huge success. Our Hot Sands BBQ unit participated in the 2020 San Antonio Stock Show and Rodeo Barbeque Cook-Off. Our Nobles did an excellent job in competing and spreading the word of our Philanthropy. Alzafar Shrine was recognized a few times throughout the event while participating in a mini rodeo as well as the announcements from the commentators. What a great way to start off the year!! Next event was our 2nd annual Super Bowl party, a great time was had by all.

You may have already seen photo's on Facebook as our Divan attended TSA Midwinter in Mesquite Texas. Alzafar was well represented and had the opportunity to listen to what our Imperial has in store for our organization.

We are hosting our monthly OG Roundtable meetings on the 3rd Thursday of each month. Meetings will be held in the dinning room at 7pm. We encourage all Nobles and ladies to come out and participate. Light snacks and soft drinks will be served.

The date is set so please mark your calendars. Our 1st big family event will be the Shrine Easter Party to be held Sunday April 15th from 2pm-4pm at the Pavilion. Anyone wishing to help out in anyway please contact Lady Lori or myself. We are excited and looking forward to seeing everyone. Preparation for this event will be held the week prior in Parlor to stuffing eggs and making sure all is ready for the party.

Treasurer
David Olivares

This was my first year to attend a Divan Mid-Winter and experience what your Divan does at this event. It was a great weekend spent in Mesquite, Texas where we found our Imperial Potentate, Imperial Sir Jeffry Sowder and our Imperial Chief Rabban, Imperial Sir James Smith in attendance. Both delivered a great message and great thoughts for the future of our Shrine and Philanthropy.

If you can make it you should make plans to attend the 146th Shriners International Imperial Session which will be held in Kansas City July 5 – 9, 2020. It is sure to be a great Session with some surprises and what a better way to support one of our own Texans, Imperial Sir James Smith, who hails from Ben Hur and will be installed as our Imperial Potentate.

Your Divan has been off to a busy start with Midwinters, San Antonio Rodeo BBQ Cookoff/ Membership drive and the Foreigner Concert just to name a few. These events have kept our Shrine busy and some of these events have put us out in the public's eye and is right in line with what Imperial is striving for, getting more exposure for our Fraternity and Philanthropy. It is great to see our Fezzes out in the public where it gives us a chance to educate those who do not know who we truly are and what we do for our community and hospitals.

I humbly urge each of us to keep our hospital transportation fund in mind when making donation or fundraising decisions. This fund tends to run low at different times throughout the year. We frequently get requests to transport children in emergency situations and follow up visits.

Please remember that the Divan and Finance meetings are open to the nobility. If you are interested in our finances and interested in what and how we are doing, please come and join us. We are a team with a common interests and goals – Our Fraternity and Philanthropy. Together we all make our Shrine successful.

RECORDERS CORNER

By: T-Bone Tommy Leverett

Caner Sucks. I know that many of you have experienced cancer in your family. I lost both my parents to cancer and both my In-Laws to cancer. Like many of you I have had too many friends and co-works fight the cancer the battle. It is with a heavy heart to let you know our 21 plus year employee Carol Kintigh recently discovered she has cancer. Please keep Carol and her family in your prayers as she starts her fight and treatment. Like many of you I miss seeing Carols smiling face as I enter the office every day. Carol decided to retire a little early. If you or your Unit / Club would like to send Card to Carol please give it to me (Recorder) and I will make sure she receives your card.

Carol was involved in so many different projects here at Alzafar. Please be patient with us will be reassign her duties. Once we have identified Carols replacement, we will need to get them trained. I know it is silly, but Carol always made sure my Shrine Tie was on correctly and I did not look like a Hillbilly, no disrespect to our great Hillbilly Clan.

OK, back to business I need to pass on to you. If you were in the January Stated Meeting you heard our Potentate say that starting in February all meals before the **Stated Meetings would be only \$5.00.** That is \$5.00 for everyone including the Divan and the Potentate. Please come out and eat a great dinner with your fellow Nobles and Unit and Club friends. The Salt will be waiting in the Hot Desert.

The first of the year **"Crunch Time" is over**". By the time you read this message we have had our annual planning meeting, finetuned the 2020 Budget, the Divan has attended our Laredo Mid-Winter and the greatest Parade of them all, Laredo, is now history. Please come out and join us for the next Parade. We will put you on a float so you can wear your Fez, smile and wave to the public. A good friend of my once said "it is not a Parade without the Shriners".

Does your unit or club want to hold a "Fund Raiser"? Call me at 210-496-1625 and get the right form. We have a form to raise money for the Hospitals and Transportation Fund and another for if the Unit wants raise money. Hopefully you know about the 2020 Harley Davidson Road Glide raffle. We would like each Unit or Club to sell a minimum of 60 tickets. This is a wonderful idea that "Tater" Rick Reyes. Tickets are only \$20 or 6 for \$100. Tickets are available in the Office.

Please rally behind our Membership Director, Dennis Stevens, as we strive to accomplish our Imperial Potentates goal of **"Just One."** Congratulations to our Jr. Past Potentate, Eric DeWalt who has been appointed the Regional Membership Director. If anyone can put the FUN in membership it is Ill Sir Eric DeWalt.

HOSPITAL CORPS

When Robert B. O'Connor became Potentate in 1985, one of his first actions was to delegate Joseph C. Telford to organize a working hospital committee which would bring Alzafar Temple to the fore in Shrinedom's True work, the care of crippled and burned children.

With the able assistance of William A. Werdermann, Noble Telford recruited a group of interested Nobles and their Ladies and formed a four-group committee, each group having certain definite functions.

The success of the committee during 1965 led to the formation of a permanent organization to carry on the work of Alzafar's Crippled and Burned Children Program. With the encouragement of then Potentate Dr. E. Jeff Ashcraft, Jr. and the skillful midwifery of his Chief Rabban, D. Neal Talley, Jr., the Hospital Corps was born on March 1, 1966. There were 30 Charter Members.

By June 1, 1966, a second stain wagon became necessary to transport the increasing number of children to and from the hospitals. This was provided from proceeds of the Shrine Charity Horse Show. A new wagon is provided each year from the same source. At the present time the Corps operates one station wagon and a 12-passenger van and makes a regular scheduled trip to the hospitals every other week.

(from the history of the unit)

Hospital Corps By Bob Ashley

A little history first about the Alzafar Hospital Corps. It was originally established in 1966 for the express purpose of transporting patients and caregivers to the Houston and Galveston Hospitals which are two (2) of the twenty-two (22) Shriners Children Hospitals. The Hospital Corpsmen have driven in excess of 5 million (5,000,000) miles with no significant accidents or injuries.

Currently (2016), we have 30 members with 18 members being certified to transport patients and 2 drivers are required when making the hospital trips. Unfortunately, our unit is like many Alzafar units in the members are getting older and along with the onset of physical problems are no longer eligible to drive but remain an important part of the unit. Those members still may participate in parades with the Fez float and be active with other Temple activities.

We have 2 Dodge Caravan vehicles, 7 passengers, for transporting patients and 1-12 passenger van for pulling the Fez or for larger number of passengers. Our members also pick up patients who arrive either at the airport of the downtown bus station who are either going or coming from the Galveston Hospital. Most of these patients are from Mexico and have sustained significant body burns.

On April 23-25 we went to the Galveston Hospital 50th Anniversary and the Potentate had designated this event as his annual Shrine trip. There were official tours of the Hospital on Monday, the 25th of April as some of the new drivers had not been to the hospitals. If you have never been to a Shrine Children's Hospital, contact one of our unite members or check with Maria in the office about riding on a trip. We meet the third Tuesday of each month at 1900 hours in room 6.

LET THE FUN BEGIN

As Spring rapidly approaches, it is time to get out and enjoy the Hill Country weather.

January was an exciting month for the Golf Unit. We started by enjoying the company of our Ladies at our first unit stated meeting. There were 41 members and ladies in attendance. It was a very enjoyable evening with great fellowship, great food, and discussion about the events of the coming year.

Illustrious Marty Bartlett join us and informed the group about his goals for the coming year and things he planned to implement to increase participation, membership, and let everyone know Alzafar is all about FUN and The Family.

February appears to be a busy month. The Golf unit will participate in the George Washington Parade in Lerado, we will have three tables at the Nobility Gala and installation of officers. We will also behaving our usual Fun Golf Outings on the First Thursday and Second Tuesday of the month and our unit tournament on the Last Thursday of March. All Shriners are encouraged to join in any our all our golf outings

The ALZAFAR Golf Unit is driven by love and dedication. Love of God, family and our children in the Shrine Children Hospitals, dedication to our Fraternity, our Temple and Club. Any noble interested in any of these activities and might consider joining the "Fun and Work" please talk to the Unit Membership Chairman, Noble Buck Bourne 210-658-9780.

HAPPY NEW YEAR

Provost Guard
Joe Kassai

Our February meeting was called to order by Michael Raymond. It was an unusually small crowd of 15 due to the prediction of inclement weather. A great fried chicken dinner was prepared by David Hadley. Thanks David!

The Provost Guard is getting ready for the March TSPGA pistol match in Abilene. At this point, we have 10 shooters planning to participate. Rick Corbin has volunteered to meet with our shooters for some extra practice & tips.

The PG is looking forward to the San Antonio Fiesta celebrations in April. The 25th will be a busy day for parade goers: King William Parade, Pooch Parade in Alamo Heights, & the beautiful Fiesta Flambeau.

Thoughts and prayers are going out for our Sec/Treas, Richard Orr, who is undergoing chemo treatments for Pancreatic cancer. Keep your spirits up, Rich. We all love you & are sending positive vibes your way.

Till next time ...

Nobles & Friends, please mark your calendars for May 17 a Sunday and hopefully FUN DAY! For our annual springtime Car Show. What? Sunday? Yes, Yes! Our usual Saturday, our lovely Shrine is booked and not to interfere with other Shrine events... Sunday May 17 must work. We need your help! We need to get the word out about the Car Show in a huge manner because we are trying our best to help the children in our hospitals. What can you do?, a good noble or friend may ask... In this magazine are two additional documents 1) is the Car Show Registration Form and 2) is the Car Show Sponsorship form. We need you to help by (YOU) putting those forms in the hands of someone who will attend and also to someone who will be a Car Show Sponsor (make copies and give it your best). Another thing we need help with is of course the day of the show and in the months preceding the Car Show, we need help with the planning and the figuring out the duties of our members for the day of the Car Show. We welcome all other unit/clubs to join us. Reach out to Michael Long for details 210-387-0025.

We will soon have a form to send out electronically to our members to order club supplies like: shirts with your preference of style, color, size, etc. with a price menu. You will also be able to choose a hat, car door club logo emblems and who knows what else. If you missed our Valentine's/Ladies Night in February, please mark your calendars for the September Ladies Night. It will be on our usual club stated meeting day (3rd Tuesday) and if you've been there, you know we have a good time and honor our ladies for supporting everything we do. Please congratulate our newest member, Steve Fisk.

Fun Fact! Our vendor told us when we ordered new car door logo medallions that they would stay stuck to the side of the car at highway speeds... I was ever so doubtful but I proved it's true more than once. Worth repeating... I thought that was huge news! And, we have cling on medallions for y'all with the need. We are always looking for new members to strengthen our club. I remind you that you need not have a special vehicle, just profess to be an enthusiast and have some fun with a great group of family oriented nobles who love to support all that Alzafar does. One wheel, two wheels, three or more... if it's wheels and motors, it's us. If I may help with any information or get you a petition, I am reached at 210-872-0619 or

jhoyo001@hotmail.com

Send me a picture of you and your car for future issues.

If anyone can think of a way to enhance our May Car Show, please advise! At this point, we are scheduled for May 17, a Sunday due to a conflict with the use of the Shrine.

Please talk about all we do to anyone who will listen, you never know when it may "spark the question" or help the children in our hospitals. We pray the children have a speedy recovery!

Until next time, May the Great Architect Bless us All!

LAREDO SHRINE CLUB
By: Larry Lowe

Our first Outreach Clinic of 2020 was held February 6th & 7th. We saw a total of 62 patients. We had 5 visitors from Al Amin Temple in Corpus Christi and 2 of the ladies that assist with the Clinics in La Feria, TX. Thank you to all of our volunteers and the hospital staff. Our officer installation will be held on Friday, February 21, 2020, during the meet & greet festivities. We hope to have a large crowd on Friday evening and Saturday morning. We are looking forward to a great evening of food, fun & fellowship.

We started the month of February at full speed. We need to give the lineups at the stated meeting and at the Laredo Parade a Big Atta Boy. I'm pretty sure all the nobles from the club made a lot of points at Valentines, buying all kinds of stuff for the ladies at Laredo. Q-vo

Like always, we jump started all of Laredo, Friday when we got there and kept them alive the rest of the weekend. All of you that did not get to go to Laredo for whatever reason, really missed out on a good pachanga. The girls had a blast with all the games and us nobles sat around discussing all the upcoming events, drinking Colorado kool-aid. Need to Thank Walter from the Director Staff for hauling our trailer to Laredo and the parade. Need to Thank all the nobles and ladies that supported the club at our Ihop. We had a good showing. We were glad to see the noble Mike Allen at our meeting after a small absence; Welcome back Brah.

Nobles, don't forget to get your uniforms ready for our next event in March, the Masonic youth lunch on the 7th.

THE DRUM AND BUGLE CORPS

With the improvement in Drum & Bugle Corps' performance this year, we are planning to add some new music to the program. Come on out, practice with us, and help select the new music.

We are always looking for more musicians. Currently we are performing on brass instruments that are played in the band; Bb trumpets, Bb marching French horns, marching trombones, marching baritones, etc. We do have instruments that we can lend to you. We need low brass and percussion players. We are also need percussionists and we have drums for you to play. We are a very low-pressure organization in terms of expectations and very flexible concerning time commitment. Thursday evening practices in Room 8 start at 7:30pm and end at 9:00pm. If you have any questions, please call Richard Wallace at 210-219-6861 or email at rwall@swbell.net.

Come on out and join us!

ALZAFAR SHOTGUN UNIT

AKA SMOKIN CLAYS

BY TERRY ZITTLE, SEXYTERRY

Greetings to all. At our stated meeting in January the major portion of the discussion was our upcoming trip to Tyler, TX for our Mid-Winter. This trip will be 13-15 March with our shoot being on the 14th. The venue will be 100 rounds of Sporting Clays. Still have time to sign up!

All of our events include family, friends and guests and are followed by a great meal. This is a fantastic unit so come on out and check us out. Don't have a Shotgun? Don't worry we probably have about 20-30 extras.

Our Monthly Stated Meetings are held on the 2nd Monday of each month in our room, which we share the Provost Guard and the Directors Staff. We have a meal that is served between 6:15 and 6:30 pm with the meeting commencing at 7:00 pm. At our last meeting we had Brisket with all the trimmings by our honorary 3rd Vice President and Chef David Hadley. At that meeting we had 14 members and 8 ladies present. Of course libations are available. Feel free to come on out at check out this amazing unit.

Until next month keep your powder dry and remember as long as there is lead in the air, there is hope!

Membership Chairman

Dennis Stevens

January flew by in the blink of an eye – and so did our first 2 membership events.

The San Antonio Rodeo BBQ Cook-off was incredible! We had our newly wrapped food trailer on display alongside the Fez Trailer, Mini-wheels, and Burning Sun go-carts. These definitely attracted a lot of attention. Brews Brothers served some of their finest to the crowds and not only got several compliments, but people were even dragging others back to the Alzafar Shrine space to taste it! Hot Sands BBQ Unit put out some first class food for all to partake and was entered into the largest BBQ cook-off in Texas! We even got to showcase the 2020 Harley Davidson motorcycle that we are raffling off!

The highlight of the event was watching our Chief Rabban Travis Elmendorf, Oriental Guide Marco Zuniga, William Brown, and Russell "Rusty" Runty participate in a "redneck" style Olympics called the Bad Boys competition. This exposure led to Alzafar getting several shout outs from the Finals Stage in front of thousands of people! We were well represented – always wearing our fezzes, and spoke w/ several Mason's and non-Mason's about our philanthropy and fraternity. We can't wait to do it again next year.

The second event was the Super Bowl watch party! We had a great turnout!!! High Priest and Prophet Rick "Tater" Reyes and his Lady Amanda did a great job! There was a ton of food, drinks, and laughs all around. The game kept everyone cheering – not matter what team you were rooting for. We had a corn-hole tournament during half time and congratulation to David Olivares and his Son for winning this event and the Bose speaker system. Be on the lookout for our next sports watching party which will be the Kentucky Derby, in all of its pageantry, in early May.

The next event on the horizon is the Laredo Parade with an extra party Saturday night to help bring in new Nobles for the Laredo Shrine Club! We can't wait to see them and meet the new Nobles and their families! Keep your eye on the Achbar for all of the exciting events coming up!

Lastly, we are changing the format to our Stated Meetings, bringing in better food for the meal at a reduced price, and working on other changes to make our Temple "THE PLACE TO BE"!!!

Have you found your "Just One" yet. If not, ask me how you can make this happen!

Update on Mexico City, Shriners Hospital for Children.

2020 is off with a great start. Ron Trine was elected as Vice chairman of the Board of Governor's and will be Chairman for 2021 & 2022.

A few of the highlights and interesting facts.

- Total patients seen over 70,000 per year
- Total surgeries preformed 6500, annually just slightly less than 600 per month. 2020 budget calls for 600 per month, 7200 per year or 11% increase year over year. SHCMC performs over 40% of all orthopedic surgeries performed at the other 21 SHC. In US and Canada combined.
- SHCMC has an active patient list of over 25,000 patients.
- Outreach and tele-health clinics saw over 500 patients last year and will be greatly expanded in 2020.
- Out patient discharge per patient is less than \$800.00 USD. Average through out our net work exceeds \$4,000.00 USD
- And we do this all on less that \$15,000,000 USD budget. This is nearly ½ of USA cost, and we have no 3rd party pay as exists in the US. However, we gladly accept donations as one of Alzafar's supported Hospitals..

Smiley's Shenanigan's

What did the flame say to his buddies after he fell in love? "I found the perfect match!"

Me: "I love you."

You: "Is that you or the wine talking?"

Me: "It's me talking to the wine."

I went to a smoke shop to discover that it has been replaced by an apparel store. Clothes, but no cigar.

That awkward moment when you leave a store without buying anything and all you can think is "act natural, you're innocent".

I saw a sign that said "Watch for children" and I thought, "That sounds like a fair trade".

To this day, the boy that used to bully me at school still takes my lunch money. On the plus side, he makes great Subway sandwiches.

Money isn't everything, but it certainly keeps you in touch with your children.

Two campers are hiking in the woods when one is bitten on the rear end by a rattlesnake. "I'll go into town for a doctor," the other says. He runs ten miles to a small town and finds the only doctor delivering a baby.

"I can't leave," the doctor says. "But here's what to do. Take a knife, cut a little X where the bite is, suck out the poison and spit it on the ground."

The guy runs back to his friend, who is in agony. "What did the doctor say?" the victim cries. "He says you're gonna die."

Fred comes home from his usual Saturday golf game. "What a terrible day," he tells his wife. "Harry dropped dead on the tenth tee."

"Oh, that's awful!" she says.

"You're not kidding," says Fred. "For the whole back nine, it was hit the ball, drag Harry, hit the ball, drag Harry ..."

Does it disturb anyone else that "The Los Angeles Angels" baseball team translates directly to "The The Angels Angels"?

Halfway through dinner one night, our friend Jim told us of his days playing football in college as a defensive lineman.

"Did you play sports in college, Mike?" his wife then asked me.

"Yes," I answered.

"I was on West Point's shooting team."

"That's great," she said, appropriately impressed. "Offense or defense?"

South Texas Learning Center
"Take Flight"
Dr. James Walker Todd, Chairman Emeritus

Take Flight is a Comprehensive Intervention for Students with Dyslexia is a two-year curriculum written by the staff of the Luke Waites Center for Dyslexia and Learning Disorders at Texas Scottish Rite Hospital for Children. *Take Flight* builds on the success of the three previous dyslexia intervention programs developed by the staff of TSRHC: Alphabetic Phonics, the Dyslexia Training Program and TSRH Literacy Program. *Take Flight* was designed for use by Certified Academic [Language Therapists](#) for children with dyslexia ages 7 and older. The two-year program is designed to be taught four days per week (60 minutes per day) or five days per week (45 minutes per day). It is intended for one-on-one or small group instruction with no more than six students per class. This small group setting is key to the success of *Take Flight*. *Take Flight* addresses the five components of effective reading instruction identified by the National Reading Panel's research and is a comprehensive **Tier III intervention** for students with dyslexia.

- Phonemic Awareness – following established procedures for explicitly teaching the relationships between speech-sound production and spelling-sound patterns
- Phonics – providing a systematic approach for single word decoding
- Fluency – using research-proven directed practice in repeated reading of words, phrases and passages to help students read newly encountered text more fluently
- Vocabulary – featuring multiple word learning strategies (definitional, structural, contextual) and explicit teaching techniques with application in text
- Reading Comprehension – teaching students to explicitly use and articulate multiple comprehension strategies (i.e., cooperative learning, story structure, question generation and answering, summarization and comprehension monitoring)

Additionally, in an effort to be part of early intervention, the South Texas Learning Center, under the leadership of Janet Flory, offers *Pre-Flight*, an early childhood dyslexia strategy which focuses on 1st graders. Since six year olds are emerging readers, an entirely different approach is used to prepare students for strategizing for not on dyslexia, but reading readiness in general. Other new ideas being proffered are an area-wide Open House, showcasing our programs and the on-going progress of the South Texas Learning Center, increasing our community outreach and since expanding the physical size to accommodate even more students is not viable, inroads are being developed to partner with major school districts, using graduates of our certification program. With over 40 students under her watchful eye, Mrs. Flory and her staff continue to expand and enrich the learning experiences for children across South Texas.

Last summer, due in most part to a block grant written by the city of Laredo, the Dyslexia Practitioners at the South Texas Learning Center traveled to Laredo Consolidated School District to certify 35 teachers to train the teachers in that district. They were so successful, they have been invited back to Laredo for this upcoming summer to certify even more teachers, who will carry the *Take Flight* message to South Texas!

So, whether we are helping children with orthopedics, burns, eye problems or learning challenges, no matter what we call it, I still call it Masonry in action. Still- stooping to help a child!

Masonry proper, is all work... solemn, serious and sublime work... there is not and never should be a line of light and frivolous from the first step as we enter the outer courts, to the last in the Holy of Holies of its mystic temple. Truth, everlasting and unchanging, is the foundation on which it is erected and on this basis its votaries by bonds of brotherhood which are mutually helpful and beneficent.

While it is as Prophets we open the portals of the Enchanted Realm to Master Masons, we are none the less loyal to Masonry. We carry with us the solemn lessons we have learned within the Lodge and we are guided by the precepts of Masonry while we revel in the good cheer of the Prophet.

The Order of Veiled Prophets, while proclaiming the loyalty of its members to Masonry, makes no pretense of being a Masonic Order, nor does it claim to confer a Masonic degree. Its membership is exclusively Masonic and its purpose is to supply the element of play such a way that work and play will be blended without marring the solid beauty of Masonry. The Grotto is said to be essentially Masonic in character.

The requirements for membership in the Order of Veiled Prophets is that a man must first be a Master Mason in good standing, and that he must continue to maintain his good standing in the Blue Lodge in order to retain his standing in the Order. In no way does the Grotto infringe upon the rights and ceremonies of Masonry or of any other Order.

The Grotto leads its votaries through an Enchanted Realm where the spirit of mirth touches the hearts and evolves cheerful companionship, in joy of which they are brought near together in helpful sympathy, which is none the less true because the eye beams with delight and laughter goes with a Prophet's greeting when hand clasps hand in its mystic fellowship.
