

Our Mission

The Gaynor Family Regional Library is dedicated to providing public access to the resources required to facilitate lifelong learning in our communities. Public library services will be provided in an environment that encourages and supports all members of the public to develop their full potential.

The Library is administered by a volunteer Library Board of citizens appointed by the City of Selkirk, the R.M. of St. Andrews, the R.M. of St. Clements and the Village of Dunnottar. Funding is provided by municipal contributions from the City of Selkirk, the R.M. of St. Andrews, the R.M. of St. Clements, the Village of Dunnottar and the Province of Manitoba.

Thanks to the strong municipal support, membership is free to residents of:

- ◆ the City of Selkirk,
- ◆ the RM of St. Andrews
- ◆ the RM of St. Clements and
- ◆ the Village of Dunnottar

Annual fee for non-residents is \$75.00. Some municipalities offer whole or partial reimbursement for the non-resident fee. Identification with proof of residence is necessary when applying for membership.

Urban Prairie

A partnership with Lake Friendly Manitoba and the East Interlake Conservation District has been created to establish an Urban Prairie oasis.

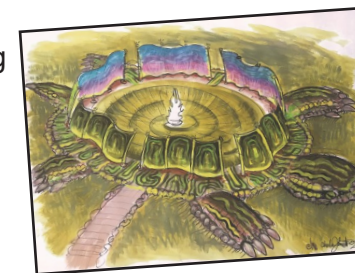

Local farmers helped provide the composted bio-mass for the soil used in the Urban Prairie project.

The library structure was strategically oriented to capture the regional prairie vista. In the landscape, a system of bio-swales were introduced to direct water to the existing natural drainage.

MANIDOONSAG IMAA MIKINAAKO-MINISIING SACRED SPIRITS OF TURTLE ISLAND

Understanding the legacy of the Missing and Murdered Indigenous Women and Girls & Two-Spirited.

Visit the interactive, amphitheater sculptural mural behind the Library, cradled in the Urban Prairie.

The space sets a feeling of standing within the shell of the turtle's structure where community and MMIWG2S families can gather and help heal together.
