## Our Mission

The Gaynor Family Regional Library is dedicated to providing public access to the resources required to facilitate lifelong learning in our communities. Public library services will be provided in an environment that encourages and supports all members of the public to develop their full potential.

## One Search

Use Destiny One Search to search the catalog and multiple online resources at one time, with a single search request. Find any topic in the catalogue and then click on the **One Search** tab (from within Destiny Back Office) or the **Database** tab (from within Destiny Discover).

## Tumble Book Library

Visit [gfrl.org](http://gfrl.org) to gain access to the Tumble Book Library, an online collection of e-books for children.

There are hundreds of animated items, talking picture books, read-along chapter books, non-fiction, games and even puzzles!

The site also features Spanish and French options. Enjoy unlimited streamed books right to your smart device.

## EBSCOhost

EBSCOhost is a powerful online reference system. It offers a variety of proprietary full text databases from leading information providers. Offered to members of the library, EBSCOhost is normally a fee-based service, but is provided free through the Province of Manitoba. To login from home or in the library, go to [gfrl.org](http://gfrl.org). Click the "My Card" tab, then select Ebscohost. Use your Library Card number for access - no password is required.

*Please note use of the database in a school would be a violation of the terms of the public library license, however, students are encouraged to use the database from the public library or from home.*

Here are a few of the databases offered:

- ◆ **EBSCOhost Web** - New World Encyclopedia, animal descriptions, magazines, biographies, image collections, maps, flags, academic journals and environmental files.
- ◆ **Auto Repair Ref. Centre** - vehicles from 1945 to present. View drawings, step-by-step photos, wiring diagrams and more.
- ◆ **Canadian Reference Centre** - magazines, newspapers, newswires and reference books, full text biographies, collection of photos, maps, and flags.
