## **COMPREHENSIVE PLAN STEERING COMMITTEE MEETING JANUARY 17, 2024; 6:30PM TOWN HALL MEETING NOTES**

### **I. Welcome and Review of December 20th Meeting Minutes**

The committee reviewed the meeting minutes from our meeting on December 20, 2023. No changes were noted. Mr. Horn advised that MRB Group will work with the Town to get these loaded to the Town website.

### **II. Core Values Discussion**

The committee participated in an exercise focused on core values. The exercise was called "Quintessential Rose". The committee was tasked with identifying what it is the love about Rose that they wouldn't give up. Based on the results, the following core values were proposed:

- Taking Care of the Environment
- Being Connected to One Another
- Being Stewards of Public Resources (Financial Stewardship)

### **III. Priority Action Area Brainstorming**

The concept of priority action areas was introduced to the committee. These are overarching topics that we want to focus the plan on to implement over the next five years. For the next meeting, the committee was tasked with reviewing the vision statement and reflecting on how close we are to achieving our vision. Additionally, committee members were asked to brainstorm their top four (4) priorities.

### **IV. Next Steps**

Mr. Horn advised that MRB Group will draft the core values and distribute it. At our next meeting, we will discuss core values and priority policy areas.

## **Rose Vision Statement**

We are a welcoming community that takes pride in our small-town atmosphere. Our connected community is inclusive and encourages new ideas. We protect and promote our rural setting, ensuring that farmland and agricultural resources continue to serve as vital components of our quality of life. Our hamlets are centers of commerce, where small businesses thrive and grow. We support initiatives that improve our community spaces and infrastructure. We are a family-oriented town that prioritizes safety. We communicate with our residents and encourage community development. We support initiatives that allow for modernization and sustainable growth, while maintaining our rural character.

## **Rose Core Values**

### **Taking Care of the Environment**

We are a town that is committed to protecting our natural resources, farmland, and parks. We support local farmers to ensure agricultural services and goods stay local for generations to come. Town leaders prioritize initiatives that maintain and enhance park and recreational amenities. We are committed to preserving our country setting that our residents cherish.

### **Being a Connected Community**

We are a close-knit community that values our small-town feel. We provide opportunities for residents of all ages to interact and contribute to the community. Our town takes pride in traditions and events that allow residents to come together and honor our heritage. Town leaders collaborate and actively communicate with residents and stakeholders to ensure our community is connected.

### **Stewards of Public Resources**

We invest responsibly for long-term quality of life for our residents. Our Town leaders support investment in catalytic initiatives that bring dividends to our community. We believe in sustainable development that balances growth in our hamlets with our rural character. We prioritize being an affordable community for local businesses and residents.
