

Young Professionals in Training!

Introduction of Director:

Ms. Kimberly Houston-Kennerson is the Director and founder of Notably Gifted Arts Academy Inc. She graduated from Meadowdale High School (IB program) and furthered her education at The University of Dayton with a Master's in Education in 2012. She is currently enrolled in the Principalship Program at the University of Dayton, and will obtain her license in December 2019. Ms. Kennerson has studied abroad in Segovia, Spain and Madrid, Spain in 2001 and 2011 respectively. She has taught within the Dayton community for eleven years with accomplished ratings and is the proud mother of three talented children.

I. Company Services

Due to Covid-19 we are providing our services virtually until further notice. NGAA have staff members who are experts in education to help support your student(s). We focus on ELA and Math and we request OST scores, MAP Scores (if applicable), and report cards. Students will be engaged in sixty minutes homework or academic support on Tuesdays, Wednesday's and Thursdays. The time will be divided into twenty minutes of small group reading and forty minutes engaging enrichment activities. We will also help with homework if and when students need assistance. We specifically provide Third Grade Guarantee OST preparation for all of our third-grade students via Achieve 3000. Lastly, students will have the opportunity to choose one art elective each quarter: dance, piano, or art. Studies have shown that engaging in fine and performing arts, or learning a second language helps foster creativity and critical thinking skills. These skills are transferable to other academic subjects and have assisted in achieving higher test scores. Our art electives are offered different Finally, on Fridays we will implement meal pick up with food being provided by Dayton, Cooks. The dates and times are to be determined.
