Hello Illustrious Sirs and Nobles All,

Most of you know the Pote's Office is back to the one along the hall. I did this so I can see out and you have just one door to go through to come and see me.

The Sportsman Raffle is wrapping up for this year. Don't forget about our party on March 17th from 2 to 6 with food and beverages available. We start pulling winners at 4 pm. We hope to see you there!

Fish Fries have begun and continue each Friday through March 29th (Good Friday). Open 5-7 for dine-in and 5-7:30 for carryout. Helpers are always needed and welcome for this event.

First parade of the season is Cincinnati's St Patrick's Parade on Saturday March 16 – we'd love to have a good turnout for this event. Lineup starts at 10am and closes at 11. Kickoff starts at noon.

NOTE that April in our calendar book is wrong with most events showing a week later than they should. For example, the Divan Meeting is on April 1, Raffle Mania is on April 2 and the Temple Business Meeting is on April 8 (2ND Monday, like usual). Please take a minute to update your book so you don't miss out on important meetings.

We have two Rummage Sales scheduled this year with the first one on May 4. We can't take your donations to our booth until April 27 since we have limited space to store it. Thanks for understanding and waiting until then to drop it off. Call the office to rent your own space with or without a table.

Cruise Ins start on the 2nd Sunday of April from 11 to 4. It's a great time to look at some nice cars.

Don't forget to make your reservation to attend the Ball which is May 18 at Mulhauser Barn. Space is limited so don't be left out! Check the flyer for details.

Your faithful servant,

Charles C. Jeffers, II

Ohio teen reflects on burn recovery nearly decade after explosion burned 87% of body

Seventeen-year-old Bryson measures his life by typical teen milestones – his first job, first high school dance, making varsity football, and getting his driver’s license learner’s permit. But for Bryson, those accomplishment are even more meaningful, when nearly 10 years ago he was given only a 13% chance to live after a gas can explosion caused critical burns over 87% of his body.

“It’s kind of surreal,” Bryson remarked. “I really do remember some of the times in the hospital when I was a kid. Whether it was physical therapy, dressing changes, or more fun times like when the zoo animals came to visit.”

New chief of staff is a familiar face at Shriners Children’s Lexington

2024 is shaping up to be a milestone year for Vishwas Talwalkar, M.D., in more ways than one. Dr. Talwalkar is celebrating his 25th year at Shriners Children’s Lexington, and is rising to a leadership role as chief of staff.

“I am very excited to continue to be part of the outstanding team here, and continue to advance the care of children,” Dr. Talwalkar said.

Building relationships with the patients and families is perhaps the most gratifying part of the job, he said. As a father of three, Dr. Talwalkar understands how important it is to trust your child’s care providers.

“Handing your child to someone, that’s a big deal,” he said. “The responsibility of that

certainly is not something we take lightly. All of us feel fortunate and blessed we are able to be a part of this mission.”

*We’re here to provide the most **AMAZING CARE** anywhere for every child with orthopedic needs!*

Did You Know?

You can prepay your dues for the following year by sending payments into the Shrine office monthly or quarterly?

If you're anything like a typical Shrine Mason you have more dues cards than your wallet can handle. When it comes to the end of year dues notices it can be overwhelming financially.

Call our office and get set up with a payment plan and have one less burden on your shoulders when the holidays come around. Give us a call (513) 751-3800. We are here to help!

Ill Sir, Members of the Divan, Trustees Nobles All.

Today as I was cleaning my shop, I came across something. I would like to share it with all of you. This is from December 15, 1962. On this day at 217 Williams Howard Taft Rd. Cincinnati Ohio. It was the Dedication of our Mosque. Back when we could call it that with no fear of Negative replication. So, the following I am copying word for word out of the dedication booklet. 1st from the Imperial Potentate George M. Knepper.

Greetings:

I extend to the Nobility of Syrian Temple my warmest congregation and best wishes, along with those of Shrinedom.

May this beautiful building Always be a continuing landmark in the long and continuous road of advancement and progress for this great Temple.

It is a true pleasure to be able to present with you on this great occasion.

Sincerely yours in Faith,

***George M. Knepper,
Imperial Potentate***

The Next page is from the Potentate of that year.

December 15, 1962

Dear Nobles:

Today is the greatest day in the History of Syrian Temple.

To every one of the Nobility, and to those friends outside the veal of the Mystic Shrine who have shared in the planning, financing, and building of this magnificent new Mosque --- Thank you.

We who are Nobles today have the great privilege of using and enjoying the facilities of this grand building; it will stand forever as a monument to our generation.

And we bequeath its future to those Shriners who will follow after us. May they enjoy it, maintain it, and use it graciously to honor and glory of Shrinedom.

Es Salamu Aleikum

Raymond Long, Potentate

The short Story:

Syrian Shrine Mosque
1960 -1962

Early in his term as Potentate in 1960, Paul W. Ruppner introduced a plan to build a new Mosque and Clubhouse on the site of the building at 217 William-Howard Taft Road. Committees were formed,

plans formulated for a fundraising campaign, and an architect was retained.

In 1961, as Potentate, Walter L. Gross took, following his inauguration, and in April 1961 Cincinnati newspapers featured pictures of the proposed new Mosque. Plans were completed and approved, and a call for bid was issued in September. On December 16, 1961, contracts were awarded to the general Contractor, and Groundbreaking Ceremonies were held.

Syrian Temple - December 15, 1962

To 1962, Potentate Raymond Long the distinguished honor of seeing the two year old dream come to a successful reality with the Cornerstone Laying on my May 12, 1962, and exactly one year from the date of ground breaking, the dedication of the magnificent new home of the Syrian Temple, on December 15, 1962.

In 2012 we lost this beautiful building due to the Decline in membership. It was said that the building maintenance was well above our budget. Which is a very true statement. But if we had more nobles in our Temple at that time, our budget would have been sufficient to take care of this beautiful building. We are faced right now with a similar situation. If we do not find a way to build our membership backup, we will lose more than a building. Is back in the early sixties The nobility and leadership came up with a plan and executed it flawlessly, this is what we need to do now. right now!

Growing up in the seventies and eighties in Cincinnati if it meant something to be a Shriner. Let's dig down deep and find out what it means to be a Shriner today. And let's sell this to all the fantastic masons within the area and invite them to

become part of our family.

Welcome Nobles and Friends! Support your Shrine. Come out for the Fish Fry. Good food and fellowship for everyone. You will have a good time. Do not forget to bring the kids and grandkids to visit with the Easter Bunny. Please come out for the Easter Bruch with the Easter Bunny. Lots of fun, food, and candy for all who attend. Get out your calendar. May 4 is the Shrine rummage sale. St. Patrick's Day will arrive before you know it.

May the following poem make your St. Patrick's Day more enjoyable. The Shamrocks, green and bright, dance in the gentle breeze. As we celebrate the Emerald Isle's light, and the spirit of St. Patrick's Day with ease. With laughter, music, and good cheer, we come together, hand in hand. To honor the patron saint of Ireland dear, and the traditions that span the Emerald Land. The pipes they play a jolly tune, as we raise a glass of Irish mead. For on this day, the skies are blue, And all our hearts. Author unknown.

We wish to report the Bucky is in Florida working on his golf game. We're pleased to report that the adventures of Sharon have returned. It is not yet confirmed, but Sharon may be assisting at the fish fry. Just remember to bring ear plugs. Do not ask Sharon to give her imitation of a fish. You may lose your appetite. Then again if you see Sharon, you may lose your appetite. The most important thing to remember is that when you see Rob offer him your condolences for having to put up with Sharon.
