WALTER "TONY" BOWLING

2021 POTENTATE

## Hi Nobles, Ladies and Family,

As always thank you for the opportunity to serve as your Potentate.

I would also thank you for allowing me to be a Voting Representative for our Iowa and Colorado Corporations. The Call for The Annual Session of 2021 in Houston, Texas went well without any issues. We had a great time in Houston, and I would recommend a visit or a vacation to Houston in the wintertime. I would like to update you on some of the outcome. The 1st Article on the Call was to allow a candidate to become a Shriner without a Temple, basically a Nomad or International Shriner with no Shrine Temple affiliation. I voted against. The 1st Article Failed..... The 6th Article on the Call was to increase the per capita tax from \$30 to \$50. I voted against. The 6th Article failed by just a few votes!.... The 7th Article on the Call was to allow a non-Freemason to become a Shriner. I voted

against. The 7th Article Failed. The rest of the Call was of Housekeeping, Changes in jurisdiction, adding new Temples, use of internet video telephonic service for meetings and adding "declared disaster" to National Emergency protocol. Most of these Articles passed or was withdrawn. Note: I did vote against the use of internet video telephonic service and adding "declared disaster" to the National Emergency protocol. I do feel I voted in the best interest of our Nobels Fraternity and Philanthropy. If you have any questions on how I voted please feel free to ask. Just a recommendation, think about buying a lifetime membership for your Per Capita. This may help with two things, saving you money in the long run and infusing money needed for Investments for International Fraternal operation cost. I do believe they will ask for an increase in per capita tax next year... Again, Thank You for allowing me to be a Voting Representative for our Fraternity and Shriners Hospitals for Children.

I hope you had a Safe and Fun Celebration of our Independence Day 4th of July! If you went to a parade, hope all was Fun and went well.

Just some reminders the Family Picnic is Saturday August 14th, ... The Temple Golf outing is Saturday August 21st and the Reds Shriners Masons Game Sunday August 22nd. Hope to see you at these events.

Membership is working hard on bringing in new Nobles. We need your help by reaching out to other Brother Masons and good Men interested in becoming a Freemason and Shriner. We will be naming the Installation Ceremonial "The Class of Richard A. Dickersheid Grand Master of Ohio."

Membership should be our number one Fundraiser! And our number one Fundraiser should be Membership!

Work Hard...Be Humble.....Be Kind.....

Yours in Faith

## **BUILDING COMMITTEE**

Hello Shriners, an update as to what your Building Committee is working on now. The General Contractor is now in the process of getting hard contractual bids from the subcontractors. This will nail down the cost of the expansion. The committee will also be looking at the structure of the financing with the Temple Recorder and Treasurer, this month. We will need to make a draw, on some funds, to pay for the Architectural drawings and building permits. Conversations will be held as to the price of materials now and possibly what they will be in the future. A goal of the committee is to be totally transparent, in all its actions. So, feel free to contact me or anyone on the committee, if you have questions. Thanks Don Brockman

## **CARAVAN**

They say, "It is always darkest before the dawn" We have all endured an exceptionally difficult period during the coronavirus pandemic. Although the difficulties and darkness impacted each Caravan member differently, all of us were affected. As expected, the Antique Caravan demonstrated and proved themselves able to overcome the many challenges. There is no question that the pandemic has exacerbated pre-existing challenges relating to car maintenance, membership, and interactive involvement. Rather than retreat, our unit officers, Jim, Alex, and Chuck have invested in us, providing new members and initiatives specifically designed to address opportunities. Many of the Caravan members already have 4+ parades under their belt which is providing a launching pad for a reenergized and reinvigorated Caravan. If interested in learning more about the unit, the oldest motorized unit, and one of the most respected, contact any member! Gary

## **CINCY DRIFTERS**

As the parade season speeds by like a jet the fun we are having should be illegal. The next parade is on Sept. 4th in Portsmouth and Sept. 9th at the Harvest Home parade. Hope we can have a great turnout for these big parades. Cincy Drifters meet on the third Tuesday, of the month at Jim and Jacks on River Rd. at 6:00 if you would like to eat or 7:00 for the meeting. If anyone is interested in joining the Drifters, please call Travis Proctor at 513-417-2189 or Tim Redrow at 513-724-5522 T.J. P.P.

## **CLASSIC CHARIOTS**

Hey everyone, we hope your summer is going well. Thanks to everyone who has attended our Cruise-Ins, keep it up! They will continue happening on the 4TH Wednesday of each month through October from 5 to 9 pm. The grilled burgers and dogs are available from 5 to 7:30 (or until we run out). There are no rain dates, so we hope the weather cooperates. Talk to us at the cruise-ins about joining the Chariots Club if you are interested. Thanks again to the OB for letting us share one of their Weds and to Illustrious Greg and Illustrious Gary for all their help. If you have questions, you can text or call Chuck Jeffers 513-884-3173.

## **CLOWNS**

Hello all. Wow it's hot!!!!. But we are not here to talk about the weather. We are here to talk about being a Shriner. So, my question is why did you become a Shriner???? Why did you become a Shrine clown??? I am sure it was not to just pay more dues. So why? We have meetings each month to do our business, but more than that it is to get together for Fellowship, to meet your brothers, to meet new Nobles.

## ARTICLES CONTINUED...

I became a Mason, a Shriner just so I could entertain people. Our motto is helping kids and having fun. In the last few years, I have seen so many new cool ideas. But with our unit we have slowed down. I know we have no circus. But there are so many more places to entertain. So, what I am asking our members, 1st and most important is to start coming to meetings. 2nd organize news Nobles. Next let us put our thinking caps on and come up with new things to do, to entertain and, to have fun. One last thing I would like to recognize one our clowns with Life membership in our unit. This clown was instrumental in raising thousands of dollars for our unit. His name is Slats. (Dave Bucken) he became a clown in 1972. And for many years he ran our photo booth. Thank you, Sir, for everything you have done.

### DESERT RIDERS

What a fun time of the year! We're in the middle of parade season, and things are picking up around the temple. It's great to be involved with all the happenings going on. If you have some spare time to give, there are plenty of activities that can use your help. We have car shows, cruise-ins, Rafflemania, bingos starting up again, and all kinds of raffles that need your support to keep us up and running. Volunteer, attend, and support whatever is going on. WE NEED YOUR HELP AND SUPPORT. We're still working on our cars because they always need loving care. We just got back from Imperial and as this was my first time going, I learned a lot and met some great Nobles from around the world. We voted on some proposals that will affect everyone for years to come. Some passed and others didn't. It rained every day but since we had Illustrious Gary as our Hospitality Host, the rain stayed away from where we were. Houston was a great city for the event. It's a lot bigger than Cincinnati and it took a while to figure out where things were. I got to experience one of my goals in trying a Whataburger. Google Earth took me around a building three times before I asked a Policeman where it was and that it was two stories underground. Who knew? I guess I'm just a small-town boy. That's all for now. Look for us around the temple, we're the guys with the best-looking unit shirts in the temple.

Tim Callahan, O.G. Secretary

### DIRECTORS STAFF

Greetings! It was good to see everybody at the Milford parade. Let us hope that we will have better weather and a large turnout for Owensville and Norwood Parades. We hope to see everyone at the family picnic and at the Reds Game. Your attention please. It is only 58 days until Labor Day. Those of you that work will have a day of rest from your labors. Mitch Light, Ken Proffitt and Ron Hugo are all recovering from their illness. We wish them well and look forward to their continued recovery. Doug Clepper has been in and out of the hospital. We wish him a speedy recovery. Bucky's golf game continues to improve. However, he has yet to receive his senior tour card. Please remember to support the Shrine and your Blue Lodge. Rumor has it that Andy has a lot of frequent flyer miles. Sharon and Rob are still married. Reports have been received that Sharon was spotted at the Cincinnati Zoo. We wish to report, yes she was at the zoo as a guest, not in the zoo as an exhibit, as 98.86% of the people that know her think she belongs in the zoo. . August Birthdays:

### ROADRUNNERS

Beep, Beep. It's the RoadRunners. Things have really started to pick up. We are transporting our kids and parents now it seems like almost every day from the airport to Dayton and back, plus local patients for their appointments. We have a great team of drivers and companions who really enjoy the time that they spend with our kids and families. With summer almost half over, we are starting to have a shortage of drivers due to vacations, and injuries. Please, please, please give me a call or email me if you can give some of your time to get these patients to their appointments. You can drive if you are under 80, (Imperial rules) over 80 you can be a companion rider. I'm working on our unit shirt, and I have a great looking pin for our unit that can be yours if you sign up. Think about it if you have time to give.

Thank you,

Tim and Gayle Callahan, Transportation Coordinators

# A Message from the Chairman

Shriners Children's Ohio  
BOARD OF GOVERNORS

Dear Nobles,

I hope all of you are getting out and enjoying summer now that many COVID-19 restrictions have been lifted! Though masks are still required at Shriners Children's Ohio, we've been able to open the Drivers Lounge for our road runners so they have a place to rest and relax while waiting for a child or family.

If you haven't checked out our social media pages recently, I recommend you do so. Our new marketing and communications coordinator, Jessica Wagner, posts daily content including pictures and stories about our patients, physicians and Shriners. Some of her posts were even shared by other Shriners Hospitals for Children in our network and Shriners International. You can see some of the pictures from her posts below.

More good news — the calendars for our professional and business development teams are filling up with in-person appointments and speaking engagements. These are great educational opportunities with the community and other hospitals and medical professionals about the care SCO provides. Lastly, I hope you'll attend our [Open House Weekend](#) Aug. 27-28. You'll be able to gather with fellow Shriners, community leaders, hospital staff and a very special patient ambassador, Deyvion Plunkett (pictured below).

As always, thank you and your ladies for your dedication and support of Shriners Children's Ohio.

Yours in the Faith,

Bill Rasner  
Chairman, Board of Governors

# MEMBERSHIP COMMITTEE

Greetings from The Membership Committee:

We've had a busy and productive first half of the year. We've installed 14 new nobles, 5 restorations, and 2 associate members. Our membership is currently at 1,000. We have 4 new petitions currently in the works.

A ceremonial is scheduled for November 20<sup>th</sup>. We started a mentorship program to help install and retain new members. Nobles interested in participating in the mentorship program, please contact, Jeremy Smith at (513) 767-3081. Your help is needed to grow our membership.

This year we've extended the scope of The Membership Committee. We are now sending sympathy and get well wishes to our nobles. Please contact, Jean Ramsey, at (513) 900-7395, of any needs. The Membership Committee also supported the start of the Widow's Connection Group. A luncheon was held for known Noble widows, on June 13<sup>th</sup>. Interest was expressed in the group by many widows, and a dinner was held at Slatts on July 18<sup>th</sup>. The purpose of the group is to have fun and fellowship while maintaining a connection to The Shrine Fraternity. Any widow and their family or friends are welcome to join. Please spread the word and contact, Kim Brockman at (513) 518-8200, if you haven't received information in the mail and would like to join us.

Another idea, that was shared by our beloved Cliff Fullman, is to start a handyman group. The purpose of the group is to help support our aging nobles and widows. It may not necessarily be to do the work, but to help them make a connection with a plumber, electrician or other professional services, if needed. My thoughts would be a committee of trades from the north, south, east and west. If anyone is interested in heading this up and starting this committee, please call me, Don Brockman at (513) 518-8201.

Membership is our number one goal

Thank you,

Don Brockman

Membership Chairman

# Norman J. Mick

Born December 23, 1945—Died June 2, 2021

Norman J. Mick was born in Hamilton, Ohio on December 23, 1945. He received a strong religious family upbringing from his parents, Elmer N. and Anna Mick. He attended St. Ann's parochial school in his formative years. He later graduated from Hamilton Catholic High School. His family's strong religious background led him to attend St. Gregory Seminary to search out his vocational calling. Later he went on to study Business Administration and Accounting at Xavier University.

His vocational path encompassed business and financial ventures for several years. He retired several years ago after spending over thirty-five years with Dubois Chemicals of Cincinnati, Ohio.

Norman met Lois G. Miller through mutual friends, and they married in November of 1966. They have three children, Anna (Ronald) Herrmann, Elizabeth (Tom) Feller and Christopher Mick. This resulted in eight grandchildren, Kyle Covert, Kristin Covert, Tyler Mick, Evelyn Herrmann, Holly Herrmann, Anthony Herrmann, Michael Mick and Jayden Mick. Norman and Lois currently attend St. John the Baptist Church in Harrison, Ohio. In previous Parishes, he served when needed as liturgist and on various committees and served as Fall Festival Chairman for many years. He spent several years in the Taylor Creek Youth Organization coaching soccer and softball for his children and served five years as the Boys Soccer Coordinator.

It was while working at Dubois Chemicals that he became associated with several Masons, which led to his joining Hoffner Lodge No. 253 in the fall of 1982. He is proud to have received many Honorary Memberships. His thirst for Masonic knowledge led him to join the York Rite and Scottish Rite in 1983. He became immediately involved with the Lodge and served as Worshipful Master in 1986, Lodge Trustee, Lodge Education Officer and then Secretary from 2001-2005. He served Cumminsville Chapter No. 158 R.A.M. as High Priest in 1987 and 1994. He was appointed to serve as District Deputy Grand High Priest in 1991, 1992 and 1993. MEC Terry Meyers appointed him as Grand Guard for the Grand Chapter R.A.M. in 1998. He was Illustrious Master of Cincinnati Council No. 1 R.S.M. in 1994 and served one year on the Education Committee for Grand Council R.S.M. He then served as Eminent Commander of Cincinnati Commandery No. 3 K.T. in 1996. This service culminated in his receiving the Knight York Cross of Honour in Ohio Priory No. 18 in November 1996. He was also honored to receive the Knight York Grand Cross of Honour in 2014, signifying his presiding over one of the Grand York Rite Bodies. At the time of his passing he was serving Ohio Priory No. 18 as Prelate.

Most Worshipful Brother Mick was appointed to serve the Scottish Rite by Illustrious Brother Terry Meyers in 1994 and served as Most Wise Master of Cincinnati Chapter Rose Croix, Valley of Cincinnati, A.A.S.R. from 2002-2004. While advancing in that line, he served four years as co-chairman of the Scottish Rite Family Life Program. He was coroneted a Thirty-Third Degree Mason of the Supreme Council of the Scottish Rite, Northern Masonic Jurisdiction in September 2003 at their annual session in St. Louis, Missouri.

Most Worshipful Brother Mick also served as President of the Fourth Capital District R.A.M. in 1990 and President of the First Masonic District in 1992, as well as President of the Society of Past Masters of Cincinnati and Vicinity. He is a past Sovereign Master of Seven Hills Council, Allied Masonic Degrees, a Past Governor and recipient of the Order of the Purple Cross in Miami Valley, York Rite College and was currently serving as Piousant Sovereign of St. Columba Conclave, Red Cross of Constantine. He and Lois served the Order of Eastern Star as Worthy Patron and Worthy Matron of Marion Chapter No. 318 in 1991 and are current members of Marvin Chapter No. 376. He was also a member of Temple Tabernacle #LXII, Holy Royal Arch Knight Templar Priests, and Irish Council #67, Knight Masons.

While serving in the First Masonic District officer line, he was asked, as a Shriner, to join a committee in 1989 to reorganize a yearly pre-game event with the Cincinnati Reds Baseball Team and Syrian Shrine Temple. He worked with Illustrious Sir Charles Settles as co-chairman from 1998 and became Chairman of the event and Master of Ceremonies for the pre-game ceremonies in 1996, concluding 30 years of service to that event in 2019.

He served the Grand Lodge of Ohio as District Deputy Grand Master 2005-2006. Most Worshipful Brother Michael A. Himes appointed him as Junior Grand Deacon in October 2006. He was subsequently appointed Senior Grand Deacon, Grand Marshal, and Grand Orator and was sequentially elected Junior Grand Warden, Senior Grand Warden and Deputy Grand Master. The Brethren of the Grand Jurisdiction of Ohio elected him as their Grand Master on October 18, 2013, and he was regularly installed in that office on October 19, 2013.

Most Worshipful Brother Mick considered the opportunities that he experienced in his life to be true Treasures. His sincere wish for his Brethren is that they realize in their lives the significance of his theme – "Freemasonry...A Timeless Treasure."

As a token of respect to our departed friend and Brother, it is ordered that the altar of each Subordinate Lodge be draped in mourning for a period of sixty days from this date.
