WALTER "TONY" BOWLING

2021 POTENTATE

## Hi Nobles, Ladies and Family,

As always thank you for the opportunity to serve as your Potentate.

Like to start out buy congratulating Carl Idler for receiving the Degree of Chevalier. The Degree of Chevalier is the highest honor that an active DeMolay can receive. Your service to DeMolay, Masons and Shriners is noticed.

We had a great turn out for the Family Picnic. A lot of Nobles and Ladies we have not seen for a while came out and it was nice to see them. And it looks like the Nobles, Ladies, Family and especially The KIDS had fun. Plenty of food, drink, Camels Milk, lots of activities and Fun had buy All. Also, the Slide and Bouncy House was a big hit with the KIDS!! Thanks to Ill. Sir Gary. for making it happen. Thanks, and Appreciations to the Chief Aid Ill. Sir Greg and Jacque., Asst. Chief Aid Denny., and all the AIDS. Also, thanks to Ill. Sir Randall., Grillers, Preppers, Bartenders, Servers, and the LADIES...

Thou there was only one complaint. It seems that Ill. Sir Gary is claiming he lost a lot of \$\$\$\$ at the card games and his Lady is upset with him. I investigated the matter and talk to the Officials, and they said that is correct, he is just bad at playing cards! Which is puzzling to me because everything I watch this man do, he was the best at. I guess I should have watch him play cards.

The Golf Outing was a Great time and success, Big Thanks to Travis and Jessica Proctor for Charing and Organizing this Fundraising Event, Great Job! There was a lot of missed swings, lost clubs, and lost balls. (I'm hearing close to a thousand balls?) Thou Tim said he saw Chuck in the weeds looking for the balls for recycling. That is dedication, thanks Chuck. On a serious note, hope you enjoyed the Chick-Fil-A for starters. All the 4-Man Teams looked great out there competing for a noble cause, THANK YOU for spending your Saturday with us! Hope you enjoyed the Outing. Thanks to everyone who donated items for door prizes, raffles, and Winning Team prizes. A Most Special THANKS to our Sponsors and Donators. You put us over the top on this Fundraiser and made it a Success! Thanks to the LADIES and volunteers who helped with the Outing, it wouldn't happen without you!

We had a wonderful time at the Reds Shriners Masons game. You could not ask for better weather, and the Reds Won 11 to 1 what a blow out! If you attended hope you had an enjoyable time.

Reminders don't forget Portsmouth Parade, Harvest Home Parade and GLSA this month. Hope to see a lot of participation at the Parades.

Membership is working hard on bringing in new Nobles. We need your help. Reach out to other Brother Masons. All they might need is to be asked. Some may have never been asked or their life has changed, and they have more free time... We will be naming the Installation Ceremonial 'The Class of Richard A. Dickersheid Grand Master of Ohio'

Membership should be our number one Fundraiser! And our number one Fundraiser should be Membership!

Work Hard...Be Humble.....Be Kind.....  
Yours in Faith

## CARAVAN

In the last year plus when Shriners were prevented from parading, the Caravan was still able to recruit new members. New members can offer fresh ideas for activities to stay relevant and can reposition the unit to adapt to disruptive changes in the environment. New members have a high capacity to recruit friends and family members, and become the next generation of unit leaders, and are ultimately entrusted to carry the legacy and mission of the unit into the future. I too was once that new member in 1991, at that time a young 36, the next youngest to me was my Dad at 61...and now I'm the old guy looking for those new members to take the leadership roles, I once had. It is through events like parades, fundraising activities that nobles engage with the unit, feel the value of membership, and achieve fulfillment of our overall mission of fun, fellowship and philanthropy. Gary

## CINCY DRIFTERS

With our major parades past us and our trikes still in one piece. We have had a very exciting first parade season no breakdowns and no crashes which makes for a good year. I've not heard if we will have a parade in Aurora, Ind. this year but we are ready. Cincy Drifters have a couple of Trikes for sale if interested call Travis Procter at 513-417-2189 or Tim Redrow at 513-724-5522 our meetings are at Jim & Jacks on River Rd. third Tuesday of the month at 6:00 if you would like to eat and meeting at 7:00. T.J.P.P.

## CLASSIC CHARIOTS

Hey everyone, it's hard to believe summer is nearly over. Our Cruise-Ins have been going well, averaging 30 or so cars each month. If you haven't attended yet, please put us on your calendar for 9/22 and/or 10/27 from 5 to 9 pm. Our split the pots have been worth the trip, so come by to see the cars and participate even if you don't have your own 'show' car to display. Thanks to President Bill Butler and VP Dale Evans we have door prizes every month. Those guys are doing a great job! Chuck & Sue are having fun behind the grill and serving up some tasty food (per the feedback). As always if you have any questions please call or text Chuck at 513-884-3172.

## CLOWNS

A couple weeks ago a lot of us got together to tell stories about a Great man and a great Clown. A few of us got to tell our stories about him. This Shriner had so many things to remember. He made so many positive influences on so many people. He was such an amazing person. His name was Teddy "Razzle" Reed. He served his country in the USMC. Thank you for your Service, Razzle was the unit Dictator for a time, he also was over the new clowns for a time. His giving was unbelievable. We will miss you Sir. But we will never forget you. ## DESERT RIDERS

Illustrious Tony and Nobles all, who needs a side of beef? You probably thought about it but didn't have a freezer to put it all in. Well, in a joint effort between the Desert Riders and Cincy Drifters we got you covered. For \$20.00 per ticket you can be the lucky winner of some great beef from a local beef co-op. Second prize is half a pig but no freezer. The winning ticket will be drawn at halftime of the Bengals-Browns game at Jim & Jacks on the river November 7. Admission for the drawing is \$12.00 per person and includes food and entertainment. Beverages will be available at the bar. This should be a great time and we hope you can support your local Drifters and Desert Riders for tickets. Oh yea, our cars still aren't running yet. Tim Callahan, Secretary

## DIRECTORS STAFF

Greetings from the Directors Staff. Everyone had a great time at the SDA convention in Roanoke Virginia. At the convention the following were able to attend, Illustrious Greg Pelfrey, Don Brockman, Scott Kimmey, and Buck. They learned new skits which we know they may put to use in the November ceremonial. We hope everyone had a good time at the family picnic and at the golf outing. We want everyone to be prepared, it is only 86 days until Thanksgiving. Everyone should be on the lookout for the Ceremonial in November. We have a very important announcement for all directors. On September 28 there will be a Directors Staff meeting at the Indian Mound Café in Norwood. It is important that you attend this meeting. Everyone beware, Sharon is looking for Eastern Star members. If you see her run as fast as possible unless you want to join and have her talk at you for 9 or 456 hours. Rob, who was just raised thinks he will have a choice about joining the OES. Everyone else knows the truth. September birthdays Al Tucker September 13, David Cassesa September 10.

## ORIENTAL BAND

Greetings from the Oriental Band. Denny Lovell Director and John Snyder Conducting. Sorry for the brief hiatus. This Scribe has had some real issues in his real job. I think we have that settled down. The Band has been quiet except for our business meetings and practices recently but looking to gear up for our annual Jamboree. The Jamboree is in Evansville IN this year at The Hadi Temple. It is Oct. 14th-Oct 17th. We are looking to add some members this year so we can continue to compete in the Big Band category. For many years Syrians Oriental Band was the cream of the crop bringing home numerous awards. If you have any or no musical ability come on out and give us a try. There is always something to bang on or shake that makes noise. For more information on meeting times and locations please call Paul Brown at 513-348-6486. Hope to see a bunch of you out there Humbly Paul Brown Scribe

## ROADRUNNERS

Illustrious Tony, and Nobles all, The Roadrunners are going strong transporting our kids to the hospitals, hotels, Dr. appointments and airport runs. Some are in the middle of the night but most of the runs are Monday through Friday at normal times. We have been taxed lately due to vacations, unavailability, and injuries. Long story short, we could use your involvement.

If you have some time that you can donate to our kids, we could use you. If you are under 80 you can be a driver. If you are over 80 you can be a companion rider. We need two people for every trip due to Imperial rules. I can tell you that every family we have transported have been very appreciative of our efforts for them. Think about it and if you can donate some time give me a call. Thanks. Tim Callahan, OG Transportation Coordinator K9tgc1@gmail.com 513-509-0678

Ten Roadsters were there, and we walked away with two door prizes! If anyone else would like to join our fun and become a Roadster, please contact me at 513-218-2380. Lastly, Jeanne and I became grandparents for the fifth time in mid-July when our daughter, Jessica, gave birth to our grandson, Henry Donald. We are very blessed! Don Meinzen

## **RECORDER**

I have decided not to seek re-election as Recorder with satisfaction the appointment I accepted with diffidence in 2013 from Illustrious Randall Proctor, and the subsequent yearly elections, has met favorability with the Nobility. My personal diffidence in my abilities to accomplish such an arduous a task, of being Recorder to this great fraternity, was superseded by a confidence received from you the membership. The successful growth of our facility and the atmosphere surrounding the facility has verified my most sanguine expectations, and you have my gratitude for the interposition and the assistance I have received from you my brothers and your families.

I should do injustice to my own feelings not to acknowledge the distinguished merits of the temple officers I have served under during my time as Recorder. I consider it my indispensable duty to close these last few months that I serve as Recorder of Syrian Shrine, with the same enthusiasm and strength I have had for the past eight years. I retire as an officer from the great fraternity, bidding an affectionate farewell to this august body, under whose orders I have so long acted, I here offer my resignation effective January 8, 2022. If you are interested in the position of Recorder and would like to discuss accountabilities, just give me a call. Gary Caudill

The University of Cincinnati is on track to acquire the former Shriners Hospital for Children, a 30-bed facility with a 50-year history on Burnet Avenue.

Shriners Hospital, known for its burn treatment center, announced its plans to move to Dayton, Ohio, last summer. The Corryville building is on the crest of Pill Hill, between Cincinnati Children's Hospital Medical Center and UC.

The property used to belong to UC. UC and Shriners decided to swap land parcels in 1987 to make room for what is now Shriners Hospital. Shriners Burns Institute, the institute's original facility, opened in 1968. That building is now UC's French East Hall, at the northeast corner of Eden Avenue and Goodman Street.

Robert Ambach, UC's senior vice president for administration and finance, told The Enquirer that the building "piqued their interest" when Shriners announced its move in 2019. The university is still in negotiations with Shriners, though Ambach says the deal will likely close sometime in 2021 at around \$38 to \$41 million. The price will be determined based on appraisals at 80% of the fair market value.
