Greetings Nobles and Ladies,

I'd like to thank our membership for your participation this year. We had a great turn out for the Ball with 197 reservations. I believe a good time was had by all.

It's been a busy fundraising season already. Thanks to everyone who bought and sold the Sportsman Lottery tickets, which currently is our biggest fundraiser of the year. We were able to start the lottery drawing on the scheduled date of March 16th. Special thanks to Randall Proctor, Greg Pelfrey and Judge Winkler, for being our top sellers. You guys did a phenomenal job.

The weekly Fish Frys will continue through April 15th. Our turn out is amazing and not to brag, but our food is fantastic. We even received a glowing review from the Cincinnati Fish Fry Review, check it out on our Facebook page. Thanks to everyone who is there every week, the clubs, units and Bona Court for working and providing great desserts. What a great team we have.

Special thanks to illustrious Don Sauerwein for his gracious donation to our Fish Frys. This enables us to provide dinners for community servants, nobles and members of our Shrine Family.

Parade Season was kicked off with us attending the St. Patrick's Day Parade. Unfortunately it was a cold one with wind chills in the single digits, but we showed up with the fez and vans. Our next parade is the Joe Nuxhall parade on April 23rd. This is a correction for the calendar book which mistakenly shows it on April 2nd.

In April the social committee is planning two family events for our kids and grandkids. We are having Brunch with the Easter Bunny on April 16th which includes many fun activities for the kids. Please call your reservations to the temple. On Saturday April 30th we are planning a Mother's Day Craft of Birdhouse decorating for the kids. It would be an opportunity to have some fun with your children or grandchildren. Please call or text Megan 858-386-6168 to make your reservation for the Birdhouse Crafting Event.

We are looking forward to May and having a great time in Pigeon Forge. Hope you can make it. We expect to kick back and relax after all our hard work this year. The hospitality room is able to fit everyone in at the same time. There also is an amazing balcony we can relax on together. We are planning group dinners and activities. So come be part of the parade or enjoy watching and cheering on the sidelines.

As another holiday season rolls around I'm thankful for my family, friends and Shrine family. We are truly blessed to be part of a such a great group of people. Sharing your time and energy supporting our Syrian Shrine Temple, we are moving it forward together.

Thanks,

*Don Brockman*

# YOUR SUPPORT MAKES A DIFFERENCE!

## **Braxton and his mom still consider their trip to Shriners Children's Ohio a 'Christmas miracle'**

Christmas Day 2017 wasn't the magical time Kristin Grimmert hoped the holiday would be. She was in a van with strangers, driving to a hospital six hours away with her young son who had an open burn wound.

Two Roadrunners drove them from Tennessee because Braxton still had a burn wound on his head after he reached for a pot of boiling water.

Braxton says the team makes him feel "special." There isn't much hair left on Braxton's scalp, so when bullies started to bother him at school, Shriners took immediate steps by finding funding to get a custom hair piece. Braxton's mom says he is much more confident and likes that he can take off the hairpiece when he gets too hot.

"They definitely spoiled him but he deserves it," Kristin said. "This all started Christmas all those years ago and they still help us and make sure we're okay."

## **Reni travels thousands of miles to keep care with Shriners Children's Lexington**

Sometimes it's all about who you know.

For 12-year-old Reni, it really came down to who his parents knew.

Reni's parents, Cydil and Nathan, were looking to adopt. They hadn't initially considered the possibility of adopting a child with a limb difference, but when Reni's file was presented to them, they felt a strong sense that it was meant to be.

Reni was born without most of his legs. While they aren't totally sure, Reni's parents suspect his condition was the result of amniotic band syndrome, which is when the inner layer of the placenta is damaged during pregnancy and those strands of tissue become tangled around the baby, restricting blood flow to that part of the body sometimes

stunting growth. In Reni's case, it is believed the amniotic bands amputated both of his legs above the knee.

It seems that it really was meant to be for Reni and his parents, since one of Cydil and Nathan's close friends, Faith Powers, is a social worker at the just the place to provide the specialized care for Reni.

"When sharing about the possibility of adopting Reni, Faith informed us that Shriners Hospital in Lexington treated children with limb differences like Reni," Cydil said. "It felt like one of those pieces of confirmation that we were to proceed with Reni's adoption — that God had provided the resources a child like Reni might need — and practically in our back yard."

So, in 2010, Cydil and Nathan traveled to Albania to celebrate Reni's first birthday with him in the orphanage, complete the adoption process and bring him to the U.S., knowing that when they got home, SHCMC would be there to help.

"Shriners was a big answer to prayer for us," Nathan said. "Our first question when we were presented Reni's file was whether we could find the resources he needed. Finding out that Shriners was close to home was a huge weight off our shoulders."

## Clown Unit

Good Day All. Life is about ups and downs, and how we deal with it them. As clowns our job is as stated in the clown prayer, "To help people if only for a moment just to forget about all the bad things in their life or the world". When In makeup, people see us as characters and not really people. But we are people, and we have UPS and Downs highs and lows.

As a leader I must be there for our members, but I also must do what I consider best for 1st our Temple and then next what is best for the unit.

We are a family and family agree and disagree but are still family.

Barrels Da Clown, 513-722-6314  
2017 GLSCA P.P.

## Desert Riders

Well it's been a year since our last parade and it started off with a bang. Cold, wet, and snowy. But a great time for all who braved the weather to honor St. Patrick.

The cars aren't quite finished yet but we have hope. It looks like this could be a successful year for the oldest cars in the fleet. Keep your eyes and ears wide open for things to come this year. See you around the Temple.

Tim Callahan, Secretary

## Directors Staff

Hello friends, as the weather improves and as the covid numbers go down we hope to see everyone at the many fun events. A very big congratulations to the Potentate for a very outstanding Potentates Ball. Directors Staff members get that calendar out. It can be a paper calendar or your phone or both. Now that you are ready put down April 8 to help out at the fish fry. All hands-on deck. We need everyone to come out. Bring your wife, bring your girlfriend, beware, do not bring them both. We need as many people as possible. Sharon may help at the fish fry. I just lost my appetite. Come to a fish fry. Better yet come to as many fish fries as possible. You just cannot get better food and fellowship at any other place. May 5-8 is the Pigeon Forge Fun Fest and Parade. If you have not already done so, make your reservations. April 21 is bingo, doors open at 11:00 bingo at 12:00. Hope you can make come. April 16 is the children's Easter Egg hunt. Children, grandchildren will have lots of fun. It will be a Sharon free event. That why you can leave your earplugs at home. April birthdays, Tony

## Fundraising

What a year we have had so far. The bingos are running strong with fair attendance. The first fish fry of the season was last week with a great turnout. The Sportsman Lottery kicks off March 16th. I hope you all bought a ticket, because if you don't play you can't win. We've got some great guns this year and I thank all of you that helped sell the tickets. This replaces our circus as our major fundraiser. Thank you needs to go out to the ladies in the office for all of the hard work it takes to make this raffle run smoothly. We had a lot of hurdles to get over this year with the stores not letting us in to sell the tickets until a week before the

raffle starts, but we got past it. There is no one or group that will stop us. To all of you that have helped work the events and selling tickets etc. I again say THANK YOU. Look for news in the coming weeks for our latest raffle. We have acquired an autographed Cincinnati Bengals helmet, signed and authenticated Tee Higgins helmet. We will start the selling of the tickets after the Sportsman Lottery raffle starts. This will be a great addition to your man cave or office if you are the lucky winner. Tickets will be cheap, and we want to sell as many as we can. Thanks for everyone's support this year so far as we raise the funds needed to keep the doors open. It takes all of us to make this place run, not just a few. Thanks again for your support.

Tim Callahan, H P & P  
Fundraising Chairman

## Mini Racers

We would like to send out our condolences to the Allen Family. Our thoughts and prayers go out to them in this difficult time. We have lost a brother and a friend; Millard will truly be missed deeply by all of us in the Mini Racers.

We also would like to thank everyone who came out to the Daytona 500 Party. A special thanks to the men and women from Ford Motor Company who have supported these functions for many years.

I would like to give everyone in the Unit a heads up on what we have coming up, Pigeon Forge Fun Fest May 6-8 with the Parade on Saturday, May 7, hope to have a good showing.

If there is anyone out there not in a unit that would like to get in one, the Mini Racers have extra cars and would love for you to come aboard.

You can call or text Mike Redrow @513-383-9220

## Roadrunners

The Roadrunners are alive and driving up and down I-75 on a regular basis.

We have been picking up some steam here lately. December and January were slow. I guess the end of the year and Covid-19 kept the hospital from running at maximum capacity. We always need more drivers and companion riders so if you are under 80 you can drive. If you are over 80 you can ride. Everybody needs to be fully vaccinated and we still need to wear masks. I look for that to change here fairly soon but that isn't up to us, that is an Imperial decision. Here is our list of the top Roadrunners since we started in February 2021.

Chuck Jeffers 23 trips (our resident training driver), Joe Hancock 23 trips, Tim Callahan 19 trips, John Wisher 17 trips, Leon Awalt 14 trips, Terry Bosman 13 trips, Bill Burwinkle 10 trips, Gayle Callahan 10 trips, John Schaffer 9 trips, Mark Rhodus 5 trips, Joanna Hensley 5 trips, Fred Robinson 2 trips, Joe Mason 2 trips, Don Brockman 2 trips, Mike Grooms 2 trips, Ted Cline 2 trips, Jeremy Smith 2 trips, and Sue Jeffers, Sam Mattar, Bob Peetz, Linda Robinson all with 1 trip each since we started last February. Road Runners, Gayle, and I THANK YOU for your time and efforts to safely get our kids and their families to and from the hospitals for their treatments at no cost to them. This is why we are here. It's for the kids.

Tim & Gayle Callahan,  
Transportation Coordinators

## Roadsters

First the Roadsters would like to thank Potentate Don and his lady for a great evening at the ball in February! The Roadsters in attendance had lots of fun dining and dancing and gambling. Bill is ready to take Lynn to Vegas after seeing her success at Big Six wheel.

We also enjoyed our night hosting a successful fish fry last month. Only three fish fries left! Come enjoy a great dinner and dessert! And now we're looking forward to getting back to Pigeon Forge for the annual Fun Fest and parade next month. Can't wait to see everyone there! Just the start of our summer long parade season! If anyone would like to join the Roadster unit and join in on all of the fun, please feel free to contact me at 513-218-2380. We meet every fourth Tuesday for dinner, dessert and a meeting. Happy April 10th birthday to Debbie Levi! Hope you enjoy your day!

Happy Easter to all Shriners and their families!

Don Meinzen, Director

## West Side Club

What is the West Side Club? It's a group of the nicest men and women who gather the 2nd Tuesday of every month for comradery (who doesn't like to meet new people), food (catered monthly and desserts), drinks (alcohol and non-alcohol) and fun (split-the-pot and Left-Right-Center). A prayer, the Pledge of Allegiance, along with a short meeting regarding the happenings at the Shrine begin the evening. Food is served right after the meeting around 6:15pm. The cost is \$15/per person (which includes your food, drink(s) and dessert). Split-the-pot is 6 tickets for \$5.00 and Left-Right-Center is \$3/per person (winner takes all). Yearly dues are \$15/men and a yearly donation of \$15/women. You do NOT need to be a member to come out and enjoy a good meal and meet friendly people. The evening usually ends around 7:45pm. We meet at Nathanael Green Lodge at 6394 Wesselman Road, Cincinnati, OH 45248. Our current President is John Wisher, so if you have any questions, please contact him at 513-319-2319. Come out and visit, we would love to see you. tjg
