Greetings nobles and ladies,

We survived another fish fry season. We served an average of 230 dinners each week. This is our second largest fundraising activity of the year. Thanks to Paul Brown for heading this up and his great team of fry cooks. Thank you to the people who showed up each week to help and the units and clubs who provided desserts and came out to support this effort.

Also thanks for all the members, families and friends in the community who came out to enjoy a great meal each week. It took the whole Temple to pull this off, thanks everyone.

We had a nice turnout for the opening day parade even though we were at the back of the parade. There was a non-Shriner medical emergency and the parade got interrupted. Watch if you taped it, until the end, as we got some nice TV coverage.

We had a group of nobles that came out during a cold snowy Saturday and collected money for the Shrine hospitals. They were at the corner of Reading Road and Glendale Milford Road. It was very successful and they collected over \$4500 in four hours. We plan to repeat it again on October 15, what a great way to show your support of our philanthropy. Mark your calendar's and come out to feel the love.

Thanks to our social committee chaired by Paul and Megan Connor and Ted and Amber Cline, for hosting a wonderful brunch with the Easter Bunny. A special thanks to JoAnne Hensley, for making the event so beautiful and also to the Easter Bunny who brought some extra special treats for our kids. A good time was had by all.

So many great things are happening along with many challenges this past month. Just to bring everyone up to speed your leadership has been dealing with many issues that directly affect the temple and its daily operations. We are diligently addressing these complaints but are finding that our non-profit status must be reinstated in order to resolve these complaints.

All the bingo, liquor sales, raffles and split the pots must be put on hold until this issue is resolved. Our

Goal is to be transparent and to operate within the law.

Despite these obstacles we plan to move forward and continue to have fun.

Pigeon Forge Fun Fest is May 5-8th. Join Lady Kim and I, on Friday, with a trip through the Artisan Loop and through the mountains to Cherokee. Please call the office so we can get a count on who wants to go. It's a day trip that leaves at 9:00 and returns around 5:00. Stop by at 6:00pm for a pork bbq sandwich and hors d'oeuvres. We will have the hospitality room open at the Holiday Inn for fun and fellowship. Lunch will be available after the parade at the Hotel. Come for fun and fellowship !!!!!

There will be a rummage sale at the temple, May 14. The OB is having a golf outing the same day, so we need to support for the OB fundraiser as well as people to man the rummage sale. Join in the fun. Call and volunteer to help out or get a team together to golf. Be active, it's fine.

The valley parade is on Memorial Day we will have food afterwards at the temple, So gather your unit and come out and show off our Shrine.

May 21st, there will be a Luncheon at the Temple... Tacos, Taco salad, Tortilla Chips, Cheesecake with topping, and a drink for \$10.00. Sorry we cant play Bingo, but we will have cards for Euchre, dice for Yahtzee and Bonko. Come out if you want to have some fun and fellowship. Lunch will be served at 11:30, games start at 12:30.

I would like to thank Bucky and the Director staff and Don Meinzan and roadsters, for a great dinner in our last business meeting. They fried three turkeys and it was great.... thank you.

If you are not getting a copy of the Shriek or the email Blast, please call the office and get on the Distribution list.

Thanks,

Don Brockman

Courageous Cheyenne calls her experience at Shriners Children's Ohio a 'badge of honor'

Cheyenne has proven she can find her courage in the toughest of situations.

As a two-time world champion in sport karate, she has overcome every challenge. Her determination was tested when she started experiencing jaw pain that made it difficult to eat and even caused sleep apnea. It turns out her lower jaw was underdeveloped and required major surgery to fix it. However, her dad says insurance considered the procedure cosmetic.

Thankfully, the family reached out to Shriners Children's Ohio and learned the clinical team could provide the care they needed regardless of the family's ability to pay. Cheyenne says, although the recovery process was long and at times painful, she no longer has jaw pain and considers the experience a "badge of honor."

Cheyenne says she feels even more confident to face the next challenge with more courage than ever.

Iker and his family find all the support they need here at Shriners Children's Lexington

Iker doesn't believe in the word, "can't."

"I'm very smart," the spirited 7-year-old said. "I can do anything."

Iker's parents, Alfonso and Abigail, found out he had a congenital lower limb deficiency via an ultrasound.

"We knew he was going to be born missing his right leg," Alfonso said. "We started looking everywhere for help."

Iker's family moved to the U.S. from Mexico and were living in Tennessee when he was born. They knew he would need specialized care for his limb difference.

"I had a friend who still lived in Mexico and told me he took his kid to the Shriners hospital in Mexico City for clubfoot," Alfonso said. "He recommended we look for Shriners in the U.S."

The Lexington Shriners medical center was closest at the time, and the family instantly felt at home.

"They have treated us like family since day one," Alfonso said.

Iker sees Janet Walker, M.D. He also sees the Pediatric Orthotic and Prosthetic Services – Midwest housed in Lexington. He started using a prosthetic leg when he was 11 months old, and recently received his third prosthetic.

Iker's family has since moved to Michigan, which requires a 7-hour trip to Lexington. His parents explored orthopedic and prosthetic providers closer to their new home, but decided Shriners is where Iker belongs.

"Everything Shriners has and does is special – the team, the kindness of the people," Abigail said. "It's the best place for kids with special needs like Iker."

Iker is in first grade and loves playing freeze tag with his friends on the school playground. His favorite subject in school is math. Overall, Iker is thriving.

"We set out looking for the very best option for our son," Alfonso said. "And Shriners has been it."

Cincy Drifters

I would like to thank the Drifters for the turn out and help with our night at the fish fries. With the final figures in it was a great success. We headed for the mountains in early May to Fun Fest and had a great time with all of the events that were scheduled, and the hospitality room was a great time with all the brothers and their ladies. The next big event will be the Valley Parade and picnic on the 29th of the month. Cincy Drifters have a couple Trikes for sale, if interested call Travis Proctor at 513-417-2189 or Tim Redrow at 513-724-5522 our meetings are at Jim and Jacks on River Road the third Tuesday of the month at 6:00 if you would like to eat and meeting at 7:00.

Clown Unit

Good day to all.
At the last director's meeting, The Illustrious Potentate asked every member that was in attendance, "why did you become a Shriner? Two of us answered, "to be a Shrine Clown." I am going to give you the reason why I became a Shrine Clown. First off, our motto is helping kids and having fun. Ninety percent of the Shriners are out there helping kids by raising money. But when the Clowns are there, we attract children, who remind people that the money isn't for a bunch of old men, but rather for children in need of smiles. We remind people that the Red Sneaker fund helps with burns research for kids. Our presence almost always leads to larger donations. I also enjoy having fun with each and every one of you. Second, as a Syrian Shrine clown we have the honor of promoting clowns the world over, our Temple, and to promote Shriner's for Children. We make a difference worldwide. In fact, if you look up 'clown' on Wikipedia, then you'll find one of OUR CLOWNS.

So, following our Illustrious Potentate I ask you to ask yourself, "Why did you become a Shriner?" COVID has hurt Masonry and Shriner's. Attendance and membership was on the decline prior, but the last two years was worse. How do we grow? 2B1ask1. If there is no one to ask, then what? Few of us can help from home, I know I can't. We need to get out there. We need to attend meetings, provide input, and strengthen this organization. We have lost several pillars of the Syrian Shrine community. Men who carried the burdens of the organization for many who have opted to pay their dues and little more.

I ask that the clowns who can step up and parade, step up and attend meetings, and most importantly step up and promote Shriner's for Children. To those who aren't clowns (but obviously wish they had the confidence for it), please do the same your units. Your unit, Temple, and Shriner's for Children need you.

Don't forget to help other Masons to become Shriners, so our Fraternity does not go away. Don't forget to help good men join your Blue Lodges. Come parade with us, if you don't want to put on your nose, then wear your fez. We need more brothers to participate.

The Clown Prayer

As I stumble through this life, help me to create more laughter than tears, dispense more cheer than gloom, spread more cheer than despair. Never let me become so indifferent, that I will fail to see the wonders in the eyes of a child, or the twinkle in the eyes of the aged. Never let me forget that my total effort is to cheer people, make them happy, and forget momentarily, all the unpleasantness in their lives. And in my final moment, may I hear You whisper: "When you made My people smile, you made Me smile."

Desert Riders

Ill. Don, Divan, and Nobles all, Well, we didn't make it to the Opening Day Parade for the Reds as a Unit, but Nobody else did either!!! What's up with that? Everybody that talked to us asked about the little cars. We All need to get there next year. The Nobles that did show up had a great time, and we made a great showing in the parade. Our cars are still being worked on and we hope to have at least one ready for Pigeon

Forge Fun Fest. That's all for now. See everybody around the Temple. - Otis, Secretary

Directors Staff Members Do not forget May 14, which is a Saturday, we will be out asking for donations in beautiful Williamsburg. It will be a nice day as Sharon will not be present. If anyone had an upset stomach because they saw Sharon, just remember Rob is married to her. Please keep him in our thoughts and prayers. If we can let's see if we can help him escape. This Mother's Day do not forget your mothers, wives, and girlfriends. Get out the calendar May 14 is the spring rummage sale. On May 21 is Saturday bingo come for lunch and bingo. Fundraising

What a great month it has been. The fish fries are finally over, and we did great. We are about \$5,000.00 over what we expected. We would like to thank everyone who came out to eat, and more importantly the Clubs and Units that came to work with us. We couldn't have done it without you. We are facing some difficult times in the next few months, but we will be back even stronger than before. We will keep you informed as things progress. Our next fundraising event will be the Rummage Sale on May 14th starting at 6:00 am. We need help setting up and tearing it down at the end. If you can help with this, please let me know. You can call the office or my cell. -

Roadrunners

The Road Runners are still burning up I-75 taking our kids to their hospital visits and surgeries. Somehow there is a rumor going around that we are not supporting our hospitals. That is false. Lately we have been on the road sometimes 6 trips a week. This kind of false rumor needs to stop. We have never refused transportation needs for any patient. We never will as long as I run this program.

That being said, we need people to donate their time to get the kids and their families back and forth to the hospitals in Dayton, Lexington, and even Chicago. Let us know if you can help out. - Tim Callahan, Transportation Coordinator

Roadsters

Looking forward to seeing everyone at Pigeon Forge Fun Fest and the parade on May 7th! Will be great for everyone to get together again! Unfortunately, Bill B will be missed on the racetrack. Bring your families and friends to the Valley Parade in Arlington Heights on Memorial Day, May 30th.

Hope everyone enjoyed the Roadster hosted fried turkey dinner served at the April business meeting. Thank you to the Director's Staff for their help!

If anyone is interested in joining the Roadsters, please feel free to contact me at 513-218-2380. We meet every 4th Tuesday of each month for dinner and a meeting.

Congratulations to Don & Jeanne on the sale of their business and soon to enjoy a wonderful retirement! Prayers to Mark for successful back surgery and a speedy recovery. Happy May 22nd birthday to Jeremy! Enjoy your day!

Also, congratulations, Jeremy, for being selected to represent Shriners Children's 100th anniversary as brand ambassador! - Don Meinzen, Director
