CHAPTER BRIEFING

Pre and Post Flight

Madeleine Monaco

Dear 99s,

Just got home from our North Central Section Meeting in St. Louis. The Greater St. Louis Section did an outstanding job of hosting in spite of last minute hotel changes. It was friendly, fun, educational, and everything else you want a weekend away to be. And we even conducted a good amount of business in one short morning. New members Maria Linstrom and Claire Carr were honored for attending their first Section Meeting—and they had fun! See more on page 3.

REMINDER

Dues/donations to your Chapter are due June 1. See page 7 of this AirNews.

CALENDAR

We have now filled our calendar for 2022, with the addition of 2 winter off-airport events. A meeting on November 13, Sunday, at 1:00pm in Lincolnshire, and a Holiday Party at the Renaissance Suites Glenview on Sunday, December 11, at 1:00pm.

If you can make the time to attend our June meeting at the DuPage Airport terminal building, we will have some surprises for you, and that will be our annual meeting. The ATC team will visit with us for a short presentation and then ... you will have to come and see. That's Saturday, June 11th at 1:00pm

CHAPTER MEMBER UPDATES

Welcome some new members to our Chapter

Layne Carson, Megan McArthur, Ruth Ann Reyes, Janelle Rominski, and Reese Zaeske.

North Central Section Meeting was April 22-24.

5 Chicago 99s—Maria Linstrom, Claire Carr, Cynthia Madsen (with her 49 1/2 Ralph), Ellen O'Hara and Madeleine Monaco attended. It was held in the St. Louis Area, at the Mercy Center in Florissant MO. We were welcomed, wined, dined, educated, entertained, thrilled, and tempted with 99s sales items and raffle prizes. We met and talked and discussed and voted and passed the budget. We were told the outcome of the recent Section election and applauded the new Officers and Directors at their swearing in. We toured the Boeing Prologue Room, a private corporate museum, that was opened for us on Friday. We then toured the Wings of Hope on Saturday; it's a humanitarian non-profit that prepares aircraft to assist developing countries in meeting their goals and has been nominated twice for the Nobel Prize. Later Saturday we toured the Historic Aircraft Restoration Museum at Creve Coeur. Some samples shown here. Antiques all.

THEN.....after the Banquet, we heard from **Lt Col Caroline “Blaze” Jensen, USAF Ret.** who was the first woman Thunderbird and a combat veteran. After learning that one of her catch phrases is “Disrupting Male-ness” we saw her video as she performed with her ‘Diamond Echelon’. Incredible. Impressive. Inspiring.

And then we had Section Awards and Scholarships

49 1/2 winner was Bob Denton (our Bill Meznarsic was runner up)
Spinning Prop winner was Erin Koelling (our Ceci Strom in top 3)
Governor's Service Award went to Paula Rumbaugh (our nominee for this award, Donna Klein, will always be our special honoree)

Cynthia Madsen, Chair of **Santori Scholarship** Committee, presented the scholarships to the 2022 winners 3 this year Congratulations all!

And dinner with Zara and lunch with some high achievers

Some of us had dinner with Zara Rutherford (read about that and see some photos in the 99s Magazine and in Waypoint).

A small group had lunch to meet our youngest woman pilot-to-be, Brittni's new baby, Rena Sedlacek. Mommy Frontier pilot Brittni, PPLI Leader and Spirit Pilot, Mariko Duskow, Spirit Captain Natalie Berman, new recruit student pilot and DePaul Senior, Manna Rassi, and Madeleine Monaco.
