

Chairman's Report
Elaine Kilgore
September 9th, 2023

Welcome! Our Speaker this morning is Sandy Brown. He has been a member for the past 4 years and is a Precinct Captain and a Poll watcher with his wife Theresa. Sandy will be speaking on the Doctrine of the Lesser Magistrate The Doctrine of the Lesser magistrate is a legal system explaining the exact circumstances in which a lesser magistrate has both the right and the responsibility to resist the greater ruler.

We have had a good month for rentals in August. 5 rentals – Church 1200, Leadership Conference 350, Birthday Party 700, staff retreat 300, and Baby shower 650. Total 3,200. We have had expenses in upkeeping our event center too.

In August we had a Precinct training meeting. We are trying to build up our Precincts and reach out to fellow Republicans in Fayette County.

Today we are collecting money for our Candidates running in the Municipal Elections. I know many of you have been very generous to our candidates before today. So, if you have not contributed to our members yet or would like to contribute more, we are passing around the bucket. Proceeds will be split equally between our members that are in attendance. Our municipal elections are giving me great hope that we can change our local communities for the positive.

With our State and Federal officials not acting about Fani Willis, the stolen elections, the budget, the border, we need to at least control our local communities. I am tired of hearing what our elected officials cannot do. I am ready for them to listen to the citizens and do the correct thing for Georgia and the United States.

So, it is time we work harder, give more, and enact change at least on a local level, with our Municipal Candidates and reaching Fayette Republicans.

Thank you so much for all your hard work this month. We have many members working hard in all capacities. Running Data, Working on the Website, emailing, texting, calling, working on Social Messaging, cooking, renting, sewing, carpentry, welding, attending meetings, the list goes on and on. I love seeing you all network and get along together. Together we can do great things!
