MASHERS' BOOKS: A TEAM SPUDZ SERIES is getting lots of attention these days, since the launch of his first book, titled "Team Spudz And The Silver Dollar." Mark Michelson, the young, inspiring first-time author, is the netminder for the CDA Hockey Academy, 17U Navy team (CSSHL), which is located in beautiful Coeur d'Alene, ID. His true love for writing and hockey has inspired him, for what will be "Great Success," to roll out a series of five books, along with Merch, from his online store (Books) www.mashersbooks.com/author-exclusive and for (Merch) www.spudzboutique.com

Mark has always had a special place for kids, and he is passionate about teaching them valuable social and emotional life lessons through his fictional characters. He hopes to bring love and laughter to all who read his books. www.mashersbooks.com "The World Is Colorful When You're With The Spudz."
