THE BIG COUNTRY AREA

ResourceCare is nestled in the heart of The Big Country, and we take immense pride in our rural roots. Nestled within the warm embrace of close-knit communities, our clinics are strategically located in Albany, Baird, Breckenridge, Clyde, Cross Plains, and Merkel. These charming towns epitomize the essence of community spirit, where neighbors genuinely care for one another.

Living in these communities offers a host of advantages. You'll find exceptional small-town schools that provide a nurturing environment for your children, ensuring they receive a top-notch education. The quality of life here is second to none, marked by a serene pace, friendly faces, and a strong sense of belonging. What's more, the cost of living in these towns is remarkably affordable when compared to the hustle and bustle of larger cities.

Should you ever yearn for the excitement of a bigger city, fear not, for these communities are conveniently close to Abilene, the vibrant hub of The Big Country. And if you ever crave the grandeur of Dallas-Fort Worth, you're just a mere two-hour drive away. ResourceCare offers you not just exceptional healthcare but also the opportunity to be part of these remarkable communities, where the warmth of rural life and the allure of city adventures harmoniously coexist.

ResourceCare offers the following services:

Case Management
Enrollment Assistance with Medicaid
CHIP
SNAP
SSI
Marketplace
Utility Assistance
Medicare
And More!
Rx Assistance
Transportation
Assistance with Referrals
Referral Coordinators

OUTREACH SERVICES

Our care and concern for a patient goes beyond just their physical health. We understand if you can't afford health care, can't pay for your basic utilities or don't have enough to feed your children, that your personal world will be filled with stress which can lead to medical problems.

While we can't help with all problems, our Case Managers attempt to find any resource that can provide for our patients. Many times the help needed is just temporary, but it can make a big difference in a person's life. Our Outreach department is the heart and soul of our organization.

ASPIRE (AFTER SCHOOL PROGRAM INITIATING REINFORCEMENT IN EDUCATION)

ASPIRE, funded by the United Way of Abilene and local contributions, supports students from six elementary schools: Albany, Baird, Breckenridge, Clyde, Cross Plains, and Merkel. Selected based on academic performance and home circumstances, children receive homework assistance, reading comprehension support, and access to computer labs for spelling improvement and state testing preparation. High school students are employed to provide one-on-one attention and aid with homework. ASPIRE's success is evident in the academic progress of its participants, facilitating their advancement to the next grade level.

SUMMER DAY CAMP - ALBANY

Summer Day Camp has been part of our organization since 1998, initially aiming to reduce youth crime during Albany's summer months. Starting with just 15 kids, it has since expanded significantly. Currently, we register around 175 children aged 3-12 for a two-week session in July. Additionally, 40 High School students serve as camp counselors, and we typically have around 10 junior high volunteers.

The camp offers a safe environment and educational experiences, including tours of local landmarks like the fire department, City Library, and Old Jail Art Center. Children also engage in community service and daily swimming from 1-3, along with various recreational activities. Nutritional breakfast snacks and sponsored lunch meals provided through a grant with the Summer Meals Food Program. To register your child, contact ResourceCare at 325-762-2447 or Mindy Ary at extension 112.

CAREFEST

CareFest is an annual fundraiser dedicated to supporting ResourceCare's Outreach Programs, which directly impact patients in six diverse communities across the region. Every dollar raised during CareFest is reinvested into our communities through various initiatives.

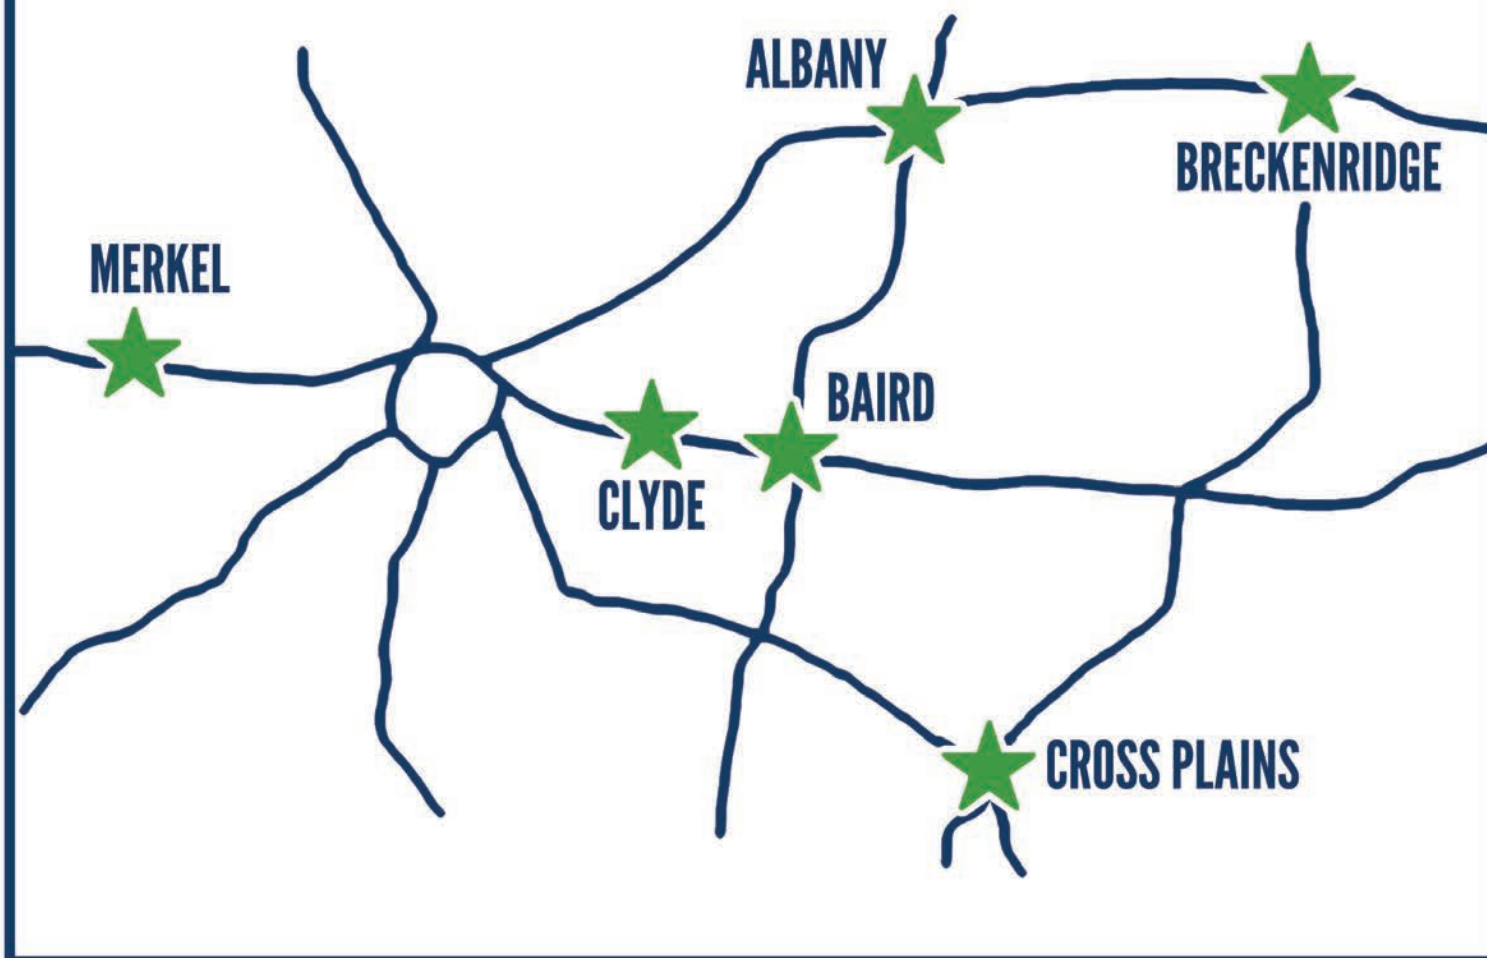

These include Vittles by Vehicle, providing essential food supplies; ASPIRE, an after-school program spanning six school districts; Day Camp, a enriching three-week experience for children aged 3 to 6th grade, staffed by over 60 Jr. High and High School students; Senior Citizen Day; Christmas for Teens; Toys for Tots; Christmas for Senior Citizens; Back to School Supplies; and our Emergency Assistance Program, providing vital aid to those facing financial hardship. With CareFest, we unite to make a tangible difference in the lives of those in need within our communities.
