

Live2Lead Video Packages

Are you hosting Live2Lead this coming October? We've got the perfect package for you!

Consider our Live2Lead promotional video packages at the International Maxwell Certification Event!

We'll furnish you with a high-quality video file you can use to promote your event on social media, on your website, or however you reach your target market! And as a bonus, this video package features a **personalized introduction from John Maxwell** that not only grabs your viewer's attention but can also serve as your introduction at the Live2Lead event itself.

This package includes...

- John Maxwell's personal introduction, positioning the Live2Lead event and mentioning you by first and last name
- A two-camera shoot with 4K cameras
- A professional backdrop
- A professional lighting & sound setup
- Professional editing with graphics and music (5 music selections to choose from)
- A professionally written teleprompter script
- Andrew Manzano's home studio course (\$199 value, INCLUDED)

...for only \$1,499.00 online (\$1,599.00 onsite at the event).
