Advertising signs starting at just \$300.00

Dear Youth Sports Supporter,

The Gibson Souther JR Titans Soccer Club is a not-for-profit charitable organization training and developing middle school soccer players, the organization serves children in the 5th through 8th grades feeding into Gibson Southern HS.

The club is run and managed by community volunteers and promotes character, courage, teamwork and loyalty.

Through the generous donations and support of community businesses, the JR Titans Soccer Club maintains a standard of excellence for all our participants each year.

Our Program on average fields 30+ teams annually and the fields at Johnson TWP Park draws in over 3,000 unique visitors each year, through our middle school soccer and the Gibson County recreational soccer programs.

Through a wide variety of sponsorships and customized advertising programs, the we are ready to work with you and your business to maximize the exposure that is available for your company and its business objectives. Join us in a combined effort to support a community program for our children and reach the vast audience that is ready to receive your company's message.

We have developed a marketing/advertising program for the Soccer Fields with over 50 advertising opportunities, with signs measuring 3' by 5' in six different field locations. The signs will be in place up to three years.

Since the Spring of 2022, we have been developing the current fields to create of home for our Middle School soccer teams. Through the support of the Town of Haubstadt and the many volunteers we have been creating a venue to benefit future Titans Soccer players. The fields also benefit the many recreational teams that use the facilities year round.

We are currently looking to raise funds to build a concession stand and storage area, field lights, and a scoreboard. All proceeds from this advertising will be used to improve the fields and create the best experience for our youth.

You can choose to advertise your company on one or several locations on the fields. Additionally, for each additional sign you purchase you can save \$25/sign. The only limit on the amount of signs you can purchase is based on space available.

This opportunity is also available to friends and supporters of the JR Titans Soccer Club. Show your support by having your name on the banners

Please return the completed form with payment selection, and email your ad copy to: info@jrtitans.org. Please contact **Darrel Edwards at (812) 484-6280** with any questions about the sign program or to discuss creating a customized advertising program for your business.

Best Regards,
