# Do's and Don'ts When Renting a Dumpster

**When renting a dumpster, there are several important things to keep in mind.**

**Here are some helpful do's and don'ts with a dumpster.**

## **How can I pay?**

We accept all major credit cards, cash, Venmo and checks. **Initial payment due at drop off.**

A credit card is taken as a security deposit at the start of the rental and kept on file until the end of rental. Initial payment will be taken when dumpster is dropped. After pickup, additional days and overweight fees will be charged to the card on file, unless otherwise specified.

**\*\*\*After pickup, additional days and overweight fees will be charged to the card on file, unless otherwise specified.\*\*\***

**Is there a weight limit?** Yes! Standard Rental on a 21yd dumpster includes 4,000 pounds. Additional weight is pro-rated at \$60 per 1,000 pounds up to 10,000 pounds. If you are loading heavy material such as dirt, rock, concrete, brick, sod, shingles, asphalt you will have to contact us for instructions on loading.

## **Can I fill the container to the top?**

All materials must be inside the container, **nothing over the top of container**. By law we are required to tarp each load for transport. Heavy materials such as dirt, rock, concrete, brick, sod, asphalt should not fill the container over 12 inches from the bottom. All materials that exceed the top of container must be removed. We cannot pick up a container that is over full. You will be responsible for removing excess and a **\$100.00 return trip fee** will be charged to return and pick-up container.

## **How long can I keep the container?**

The price includes a rental period of up to 7 days. After 7 days you may extend the rental period for an **additional \$4.00 per day**.

## **Will container be picked-up automatically?**

No! Please call when container is ready for pick-up. It is your responsibility to give our office a 24-48 hours' notice.

## **Can I move the container?**

NO! We will do our best to place your container in a convenient and safe space, you may not move container. Moving containers causes damage to the underside. If damage occurs, you are responsible for the cost of repair. We do expect normal wear and tear.
