## Mailbox Info

Please note mailbox prices did increase 4/1/2019 from manufacturer

Contact Seth at 859 536 4876 for mailboxes. Single mailboxes are \$330 and double mailboxes are \$210 per lot. Please check with Seth to determine if your lot needs a single or double post/mailbox. The Burley Ridge Insignia and numbers are available from Joby Sanchez at SignsPlus, 859 519 7820, [www.signsplusky.com](http://www.signsplusky.com). Call Joby and let him know you need the Burley Ridge Insignias and house numbers. For single post mailboxes, insignia and numbers are needed for both sides; for double post mailboxes, they are required only on the visible side.

You can reach him at 859 519 5915.

We have arranged with Dru Parsons to install the mailboxes if you need that service for around \$100.

Please contact Seth 2-3 weeks prior to needing the mailbox to make sure they are available and on hand as they are custom made and ordered from Kentucky Ornamental Iron.
