What our fans say:

"I found myself singing along to songs I've always loved. They really do inspire joy with their sounds! A perfect name for an extraordinary troupe. Hampton Roads should be proud and excited about the Sounds of Joy's emergence on our entertainment scene."

BACK COVER (3.5 in)

"Goosebumps & Teardrops"

That's our director Joan Kennedy's favorite description for the experience we try to evoke in our audiences.

Sounds of Joy began in early 1999, and now has nearly 50 singers, regular and guest instrumentalists, a fully volunteer staff, a trailer full of equipment, and 501(c)(3) IRS Not-for-Profit status.

From the start we reached out, especially, to nursing homes, rehabilitation and retirement centers, serving the underserved, fulfilling our mission to bring joy and inspiration — and nothing inspires the heart like music. We love to do that, and just "can't not sing!" — especially together.

Our repertory includes "classic pop," Broadway tunes, patriotic songs, Americana, folk, and inspirational music, old and new.

We perform about 12 times a year, financed through the generosity of our members, of places where we sing, and by generous friends and contributors.

We are available for public or private gatherings of any sort — meetings, conferences, conventions, parties, picnics, banquets, open houses, block parties, charitable or fund-raising events, retirement and rehabilitation centers, nursing homes, and whatever special event you may be planning.
