

High Performance 4900 Nanotechnology CNC Machining & Grinding Coolant!

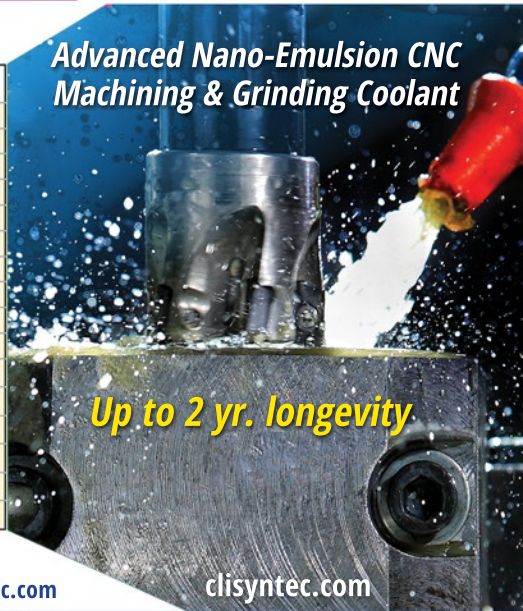

GET ALL THE BENEFITS YOU NEED!

4900  **TECHNOLOGY
SERIES**

Coolant Comparison Chart

Benefits	Straight Oil	Soluble Oil	Semi-Synthetic	Synthetic	4900 Nano
Sump Life	long	short	short	long	extended
Low Foaming	•				•
Rejects Tramp Oil				•	•
High Cooling Action		•	•	•	•
High Lubricity	•	•			•
Good Wetting				•	•
Bio-Stability				•	•
Minimizes Residue				•	•
Effective Anti-Weld				•	•
Rancidity Resistant	•			•	•
Corrosion Resistant	•	•			•
Non-Flammable Diluted		•	•	•	•
Non-Misting				•	•
Non-Toxic Operator Safe					•
Prevents Biomass				•	•
Environmentally Safe					•

*Advanced Nano-Emulsion CNC
Machining & Grinding Coolant*

Up to 2 yr. longevity
