February 15, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Mason Central Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Debra McCain at 734-848-9402 for assistance. The AER is available for you to review by [clicking here](#).

For the 2023-2024 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-2023. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-2022. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-2022. Some schools are not identified with any of these labels. In these cases, no label is given. Mason Central Elementary HAS NOT BEEN GIVEN ANY OF THESE LABELS.

Mason Central Elementary School continues to perform higher than state average in all tested subjects. Our staff is engaged in the PLC (Professional Learning Communities) process. This involves utilizing common assessments and adjusting instruction to ensure success for all students. We offer additional instructional support to students both during school and the 4-week summer school program.

State law requires that we also report additional information.

1. **Process for assigning pupils to the school:** Students are assigned to Mason Central Elementary School based on academic promotion as an eligible student at Mason Consolidated Schools.
2. **The status of the 3-5 year school improvement plan:** Mason Central Elementary School is a school-wide Title I school. The School Improvement Plan continues to be modified to meet the curricular demands for our district. Based on our student achievement data, the need to align our curriculum district wide has become the biggest priority. Through the district strategic planning committee, we have identified a series of needs to support our student achievement goals. Over the next year, these needs will be supported with the appropriate professional development to ensure our staff create an effective and transparent curriculum for the four core academic areas K-12 grades. Please visit the following link to view the 3-5 year strategic plan at: [Strategic Plan \(eriamason.k12.mi.us\)](http://StrategicPlan(eriamason.k12.mi.us))

3. **A brief description of each specialized school:** Students are selected for inclusion in specialized schools and programs based on the recommendation of an Individualized Educational Planning Committee. The purpose of the programs is to provide the best learning opportunities in a least restrictive environment in the general education program.
4. **Identify how to access a copy of the curriculum, a description of its implementation, and explanation of the variances from the state's model:** Mason Central Elementary follows all curricula that meet the requirements of the Common Core Standards along with the State suggested curriculum. Mason Central offers art, music, and physical education. Please also visit the Michigan Department of Education website at:

<https://www.michigan.gov/mde/services/academic-standards>

5. **The aggregate student achievement results for any local competency tests or nationally normed achievement tests:** Mason Central Elementary School administers a variety of assessments to report and monitor student progress. Detailed M-STEP information can be viewed by visiting the following website:

<http://www.mischooldata.org/>

6. **Identify the number and percent of students represented at parent-teacher conferences:** Mason Central Elementary School had 95.6% parent attendance at the Fall 2023 parent teacher conferences. Parent attendance for the 2022 Fall conference was 96.5%.

Gr. K – 92.5%	Gr. 1 – 97.3%	Gr. 2 – 100%
Gr. 3 – 91.6%	Gr. 4 – 97.3%	Gr. 5 – 95.3%

Mason Central School continues to strive for excellence. Our staff, students, parents and community take pride in our accomplishments by working together to implement and follow our school improvement plan. All staff at Mason Central Elementary will continue to collaborate, research, monitor and modify the RTI/MTSS math and ELA intervention model to meet the individual needs of each student. If you have any further questions, please feel free to contact me anytime.

Truly,

Mrs. Debbie McCain

Mrs. Debra McCain
Principal of Mason Central Elementary School
