DESCRIPTION:

April 9: Part 1 Parenting in the Digital Age, Children ages 0-8 :

This Cyber Safety workshop will discuss the benefits and risks for children exposed to technology and social media. We will discuss how technology impacts the social, emotional, physical, and educational development of children ages 0-8. Parents can ask questions, share their experiences, and learn the best practices for parenting in the digital age.

Facilitator: Robin Batten, MSHS,
Prevention Education Program Director
Washtenaw Area Council for Children

Extension Extras Parenting Hour is a free online series of parenting workshops that provides guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.

HOW TO REGISTER:

Register in advance for any of the Extension Extras webinar workshops at the following link: https://msu.zoom.us/webinar/register/WN_YboL-GkQT522eCkEf_qxaQ#/registration

Choose April 9 to register for Parenting in the Digital Age. We highly recommend signing up for Part 2, children ages 9-17, which covers topics like online predators, privacy issues, and trafficking.

**After registering, you will receive a confirmation email
containing information about joining the meeting.**

*** Accommodations should be requested no later than 2 weeks before class**

MSU is an affirmative-action, equal-opportunity employer, committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Persons with disabilities have the right to request and receive reasonable accommodations.
