

Race Communiqué #4

13 March 2023

General Announcements:

Thank you all for making Tucson Bicycle Classic a fantastic race! Congratulations to all the winners.

The Officials have been addressing emails that have come in post-race, with many centered around the application of the 3km rule for the final stage. The 3km rule states that if a rider or riders suffer a fall, puncture or mechanical incident in the last 3 kilometers and such an incident is duly recognized, the rider or riders involved are credited with the same finishing time of the rider or riders they were with at the time of the incident.

The Final GC results posted on site for the Men 50+ and Men 60+ did not correctly include the circuit race results. For the Men 60+, places 4 and 5 were reversed and the wrong best 65+ identified. For the Men 50+, places 1, 2 and 3 were incorrect.
