

# STUDIO PROTOCOL

DANCE WORKS

## TEMPERATURE CHECKS

Prior to coming to the studio parents must check their dancer's temperature. In addition, every dancer and staff member will have their temperature taken upon arrival. Any dancer or staff member with a temperature over 100 degrees will not be permitted to attend that day.

## ARRIVAL

All dancers must arrive dressed in their dance attire. Locker rooms will be closed off and bathrooms will only be permitted for toilet use.

## MASKS

All dancers must arrive in masks and leave the classroom with a mask on. They are required to wear a mask during class time. We can ensure safe social distance in the classrooms. All staff will wear masks.

## DROP OFF/PICK UP

Parents must drop off kids while being spaced apart on our distance stickers. Our lobby will be closed during this time to help ensure social distance and reduce exposure. Please arrive a few minutes early to drop off your child and also to pick up.

## DANCER & TEACHER/STAFF CLEANLINESS

Dancers will be using our CDC approved hand sanitizer. Dancers will sanitize on arrival, during class time, before and after crafts/snack time and before they leave. All staff will wear masks all day and will also sanitize often.

## GROUP SIZES

Are limited to no more than 15. As much as possible groups will be socially distant from each other. Our classrooms will have floor markings reserving 6-7 feet distance between each dancer. We will encourage social distancing within the group, however, we know at this young age we will have to keep encouraging them. We will do our best to accommodate friend requests.

## CRAFTS/PROPS

Each dancer will have their own packaged craft supplies that will be designated for them. We have plenty of supplies so there is no need to share. We also will not be using any shared props unless they can be disinfected before and after use.

## SNACKS/WATER

Dancers will sanitize before and after eating.

All dancers will bring their water bottle, dance bag with shoes into the studio room and they will be spaced out along the walls. All dancers must arrive with their own water bottles, clearly labeled. Our water fountain is closed right now,
