DANCING THRU THE DECADES SHOW

Dancing Thru the Decades Show is not just basic dance instruction. It's a highly interactive show that includes easy dance instruction while keeping the experienced dancers entertained. At the same time attendees embark on a musical tour through time passing all the wild, wacky, and wonderful music, events, and dances of each decade. Watch as guests dance, reminisce, sing, and laugh as they experience the #1 dances to the #1 songs and trivia from each decade. How does the Stroll, Twist, Jerk, Disco, Macarena, Cha Cha Slide, Hip Hop, and a little Boot Scootin' Boogie sound?

How about customizing your group's history into the script? (Especially if you are having an anniversary!) What a wonderful way for participants to learn and feel connected with their group! A great entertainment idea for conventions, communities, churches, charities, clubs, theme parties, and more!

Dare to Dance has performed for Washington State Centennial Games, National Wellness Institute, Women in Film and Television, Northwest Mining Association, City of Phoenix 4th of July, Crystal Cathedral, Converse, Capezio, Nordstrom, Supershow, ARM Records, JC Penny, American Cancer Society, Angel View, Red Hat Ladies, Bank of America, City of Rancho Mirage Anniversary, Security Life, and more.

Created by Christy Lane, producer, and star of 41 instructional DVD's, her love of dance and history has motivated audiences in every state in the U.S. Nominated for the Community Spirit Award by the Palm Desert Chamber of Commerce, Christy has been an advocate of moving to music for wellness through her popular School Assembly Programs, Family Fun Nights, Workshops and Events.
