# FAMILY FUN NIGHT

This popular dance event will have guests of all ages movin' and groovin'! This fun, interactive, one-of-a-kind dance show includes a high quality DJ sound system, microphone, props, and basic DJ lights. It's entertaining, not just your basic dance instruction. It will excite the beginners and engage the experienced dancers.

"Dancing through the Decades" is the most requested Family Fun Night. It includes dances from the 50's, 60's, 70's, 80's, 90's, 2000 and today. (We can modify to fit your event and you can choose a theme or dance styles including Country, Multicultural, Square Dancing, Line Dancing and more!)

**We pride ourselves in the ability to adapt to the "flow" of your group. A typical event consists of:**

- One hour set up
- One hour of background music while families are eating and socializing
- Ninety minutes of the interactive SHOW
- Thirty minutes of freestyle dance and students can take the stage
- One hour of tear down

#### Here's the humdrum stuff:

1. Please be sure there is plenty of room to move. Participants must have at least one foot between them in order to make the event a safe, enjoyable experience for everyone.
2. We can accommodate 50 - 500 attendees. An elevated stage is required so that instruction can be viewed by everyone. The stage must be at least two feet high. We can provide a stage for an additional charge.
3. A six foot table is required along with 4 chairs. We provide basic DJ lighting.
4. We supply the complete sound system and can add an additional hand held microphone for announcements, raffles, etc.
5. You must complete an application form. We carry a two million dollar liability insurance policy.
6. A \$100 deposit is required with the signed Agreement. The balance will be due the day of the event. There is no charge for travel.
7. Our fee for all of the above is \$500. Additional charges for stage and more lighting.

#### *Listen to what people are saying:*

Thanks so much for the fantastic dance party last Friday. Everyone is still talking about it, and many people say that it was the best Family Fun Night ever. I am encouraging the PTS to schedule one again next year.

Thanks so much for teaching me to dance. You see, I've never been too good and I was always afraid that people would laugh at me. I really enjoyed it! You gave me confidence and now I know some neat dance steps.
