Re: Message from the President

TWIG Doc#: W21-01-0020

Dear [TWIG Community:](#)

We welcome the opportunity of working with you and your office (s).

Our consultancy is designed to provide you with interactive, innovative information on how our company supports current and prospective partners in the Consulting, Design, Energy, CADD, Inspections, Commissioning and Unified Communications realm.

These specialized services are provided both nationally (USA/North-America) and internationally (Caribbean/South-America/Europe/Asia/Middle-East) as we hope to conduct business with our affiliates more efficiently and profitably.

At TWIG, we realize that Consulting, Energy and Technology services, in their various forms, are at the core of every aspect of human endeavor and attitude. Our objective is to contribute to the development of the consultation, generation, transmission and distribution of innovative energy and sustainable consulting services globally.

We currently do so by embracing innovative energy savings technologies towards sustainable consulting engineering solutions.

The TWIG Team, affiliates of TWIG and I carry out our duties with the utmost integrity, professionalism and efficiency.

As we navigate through these challenging times (COVID-19 Pandemic), I am reminded of how fortunate we are to be part of this strong community, a community that supports each other to accomplish great things.

In our support of the guidance of the World Health Organization, CDC, State and Local authorities related to travel, quarantine, meetings and events, and we will continue to adjust our guidance accordingly, throughout 2021. In the meantime, we want to assure you that we will continue to provide uninterrupted service to you and your clients.

We welcome your questions and inquiries and therefore look forward to continually, developing mutually beneficial relationships.

From The Office of:

D. R. Wall P.E., LEED® AP, BD + C
President/CEO
