

# Circles - Post Malone

**Cmaj7 /// Em7 /// F /// ////**

## Intro: (With Riff)

Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh

## Verse 1:

We couldn't turn around  
'Til we were upside down  
I'll be the bad guy now  
But no, I ain't too proud  
I couldn't be there  
Even when I try  
You don't believe it  
We do this every time

### Ukulele riff

## Chorus:

Seasons change and our love went cold  
Feed the flame 'cause we can't let go  
Run away, but we're running in circles  
Run away, run away  
I dare you to do something  
I'm waiting on you again  
So I don't take the blame  
Run away, but we're running in circles  
Run away, run away, run away

## Verse 2:

Let go  
I got a feeling that it's time to let go  
I say so  
I knew that this was doomed from the get-go  
You thought that it was special, special  
But it was just special, special.  
And I still hear the echoes (the echoes)  
I got a feeling that it's time to let it go  
Let it go

## Chorus:

## Bridge:

Maybe you don't understand what I'm going through  
It's only me, what you got to lose?  
Make up your mind, tell me, what are you gonna do?  
It's only me, let it go

## Chorus:
