# What's in it for You?

## Air Cadets:

- Receive flight and ground operations familiarization training;
  - Benefit from a structured program promoting leadership, citizenship, physical fitness, discipline;
  - Have opportunities to participate in national and international training and exchange tours.
- ~65 % of Canadian commercial pilots, 20% of private pilots started as Air Cadets.
  - Provides aviation and business communities with a keen, capable, local talent pool in the North.

Thank You!
