

Hedgehog ABCs

S. M. Cabell

Available from Ingram or through
Gazebo Gardens Publishing, LLC.

Learning about hedgehogs will be fun for both children and adults with the whimsical hand-drawn pictures in Hedgehog ABCs. With a fact for each letter of the alphabet, you will find out how these adorable little animals hunt for food, where they live, and many other fascinating details about them.

Additional facts and a glossary are included in the back of the book.

From the time she was in grade school, S. M. Cabell knew she wanted to be a teacher. She attended Oregon State University, where she earned her bachelor's degree in education with a minor in science. The majority of her teaching career was spent working with children with dyslexia. Since her retirement, she enjoys traveling, photography, and relaxing at the beach. Ms. Cabell married her high school sweetheart, and they live in the Seattle area.
