

Job Posting

Job Title	Psychological Associate or AMFT
Company Name	Paula E. Bruce, Ph.D. & Associates
Location	Beverly Hills
Salary Range	\$75-90 per client hour

Job Description/Overview

We are hiring again! Seeking an outstanding AMFT or Psychological Associate to join our terrific team. We are a well-established practice with offices in Beverly Hills and DTLA. Position is an in-person W2 position with benefits. We are most interested in those with good prior clinical experiences, training and experience in psychodynamic psychotherapy and can commit to a minimum of 20 client hours per week. Individual supervision provided. Strong communication and written abilities. We encourage applications from those who identify as BIPOC, LGBTQIA+ or those with language diversity.

Key Responsibilities

- Provide individual, couple and family psychotherapy with a diverse set of clients presenting with a range of presenting concerns.
- Conduct psychological testing (Psychological Associates only) with a range of clients and presenting concerns.
- Complete all administrative duties including notes and billing through our EHR (Theranest) in a timely manner.
- Be a good team player.

Skills and Experience

- Must have prior clinical experience with a range of clients and presenting concerns.
- Must have interest and experience in working psychodynamically and interested in depth-focused, insight oriented psychotherapy and supervision.
- Must demonstrate diverse cultural sensitivity and knowledge, be LGBTQIA+ affirmative and be neurodiversity affirmative.
- Must demonstrate flexibility and be capable of being a good team member.
- Minimum of Master's degree.
- Must have AMFT number or be eligible to be registered to the Board of Psychology as a Psychological Associate.

Interested candidates should submit a cover letter and resume to info@drpaulabruce.com.
