How would that affect you personally and professionally? A. Well, my company would have to pay American Airlines to reschedule my trip. Other than that, I don't think it would affect me personally. I'd, of course, do what you guys told me to do. THE COURT: I used to travel to Las Cruces for business myself. Probably different business, though. MR. GOELLER: I don't have any further questions. Suffice it to say that everybody in this courtroom would agree it's a very important case. And not that all cases aren't important, but maybe this
