

If you have courage dont be worried they cant controll you
And if you have a soul and its your own theyll never take it from you
So when they come for you dont be fooled by the lies theyer telling you
They have an agenda and its not yours you know there the real tools

ch, No justice for the working class
 No justice dont forget the past
 No justice with there foot on your neck
 No justice fuck the one percent

Everything they have sought it will rot will take back our rights
Years gone by sitn in a cell have we not payed for our crimes
Its all for nothing bur ther injustice there the real criminals
Not the ones behind bars god damm gudge and d,a
Ch,

Theyer all fuckin liars x4
